Daily Morning ROE Y. GILLEOR Phillips & Gillmore, Editors & Proprietors.

PITTSBURGH: MONDAY MOBNING NOVEMBER 21. MORNING POST JOB OFFICE.

We have now employed in our Job Office an unusual number of excellent job printers, and are prepared to execute all orders with neatness. ingurpassed, and with a speed that shall not be

AMUSEMENT ADVENTISING AND PRINTING MUST

Territorial Extent of the United States. moral tone of Arthur's works is excellent. We do not wonder much, after all, that Great

Britain and France protest against what the National Intelligencer terms the "democratic instincts" of the American people, which lead to ployment of the navy of the United States:

extensions of our territory. UNCLE SAM has a structs of our territory. UNCLE SAM has a extensions of our territory. UNCLE SAM has a very large farm, as will be seen from the extract which we cut from an exchange paper; --what one, we have forgotten. It is not a matter of surprise that the monarchies of Europe should be jealous of our growth in territory, as well as in papulation and wealth. The matter for sur-prise is that they do not discover that we have already become too powerful as a nation to be controlled by their schemes or, their protests. controlled by their schemes or their protests. Captains, 68; Commanders, 97; Lieutenants, With a territory already ten times as large as Great Britain and France combined, our "de- 827; over plus in Captains, 17; in Commanders, Captains, or of 11, none; frigates out of enmogratic instincts" call for more land, more scope and verge for the employment of our enscope and verge for the employment of our en-terprise and energy, and more people to help us, terprise and energy, and more people to help us, enjoy our freedom and prosperity. These de-mocratic instincts are but leading us to our "manifest destiny"—the absorption of the whole North American continent and its neigh-whole North American continent and its neigh-
