itton for defence. The grounds on which this prosecution is based, is well known. Last spring Mr. Myers loft this city with the inten-tion of taking up his residence in Californis; at Harrisburg, he was arrested, at the suit of Reis, and brought back to this city, to answer the charge of secreting his gools with the intention of defrauding his creditors. Judge Shannon heard the case, and dismixed the suit, honorably discharg ing Mr. Myers from custody. The case is on trial.

ing Mr. Ayers from resulty. And the second s

Inf, but the inferior part of both bulances has been de-stroyed. The Match Partory was owned by Mr. Johns, and the building by a Mr. White. There was no insurance on either. One thousand dollars we suppose will cover the loss of the owner of the building, as well as the loss of Mr. Johns. The Livery Stable was owned by John A. Wille, Eq. Whyther it was insured or not, we have yet to learn. Mr. Jackman used this stable of the purpose of keeping in it his carriage horacs and a portion of his carriages, the re-mainder of his stock being in his stable on Penn street. By the fire he lost a lot of harness, buffale robos, and four large sloighs. Fire hundred dollras will cover his loss. We hope Councils, at their next meeting, will take some, action in regard to this Match Pactory. CUPATIONS which have to be carried on out of the city. TIDATION OF THE "SMALL NOTE LAW."-Proceedings have been commenced against the Farmers' Deposite Bank, of this city, for violating the small note law, in paying out at the counter of the bank, notes of a less denomination than five dollars, contrary to a law of the Silat, passed several years since. The suits are hought in the name of the Commonweilth of Pennsylvania for use of J. L. Elessor vs. the Farmer' Deposite Bank. Fouries and have been in-stituted; and the penalty for each violation of the law, on the part of a banking institution is five hundred dollars fanc.

AssAULT AND BATTERT CAREs-Ald. Hays, of Allegheny city, yesterday committed to prison a woman named Mary Allen, to answer at Court, for committing an assault and battery on Bridget Rudy. William Hanna, a Capitain of a steamboat on the Alle-gheny trade, was accused yesterday, bofors Ald. McMaster, of assaulting a man named Alexander Haunders. A war-rant for the arrest of the Capitain was issued.

rans for the unprint of the Upptain was issued. Fixen-Mayor Riddle yesterias fined two carriage dri-wars two dollar feach, for disorderly conduct. The drivers fined were arrested in front of the Mionongahela House, where, it seems, a number of them have a fashion of ma-king themselves as disagreeable as possible(by passers by, by their blasphemous conversation and disorderly conduct. We hope the punishment inflicted will have the effect of abating the evil.
