A fresh supply received, and for sale, wholesale or retai handsomely done; as also the view of Brooklyn. Paris, for a conspiracy to assassinate Louis changes have, within the last ten years, taken place in Europe, which are either overlooked in America, or which, so far as I have seen, do not receive their due weight. The first is, a very material increase in the consumption of breadstuffs; and the second, a considerable diminution Jorsey City, Governor's Island, the Battery, &c. Napoleon. The conspiracy seems to have originated with a Frenchman, M. Jules Alix. He had prepared cannon of sinc plates, covered with New York city, it is known, is on an island called Manhattan; and this picture presents the nov10 252 Liberty street.

A. MASON & CO. will open this morning a splendid

A. assortment of Ladies Cloth Cloaks, Capes and Fillitar canvass, strongly bound with cords.

After disposing of Bonaparte, his body was to
be carried through Paris, barricades to be erect whole island to the view, with the surrounding stuffs; and the second, a constitution.

The cause for the first is to be found in that momentous change in the commercial policy of nearly every state in Europe, commenced through across the river. Another asserted, no less positions that the Russians had met with a terri-A FARM OF 200 AURES FUE BALK—Situated in Armatics county, on the Mahoning, about 20 miles from Kittaning and same from Indians, and within 12 miles of the Allegbeny Balley E. It is for ed, the republic to be proclaimed, and Blanqui placed at its head! This was on the 5th of sale, we believe at the Literary Dopots. placed at its head. This was on the oth of June. On the 7th they were to declare themselves en permanence with two other secret societies, composed each of about fifty or sixty men, who would proceed to the Bois de Bologne, and to the Hippodrome, to strike the blow. On the 7th, in effect, these men presented themselves at the stations easiloned them that the chiefe of Sizth Ward Debating Society. ties, composed each of about fifty or sixty men, who would proceed to the Bois de Bologne, and to the Hippodrome, to strike the blow. On the 7th, in effect, these men presented themselves at the stations assigned them; but the chiefs of the organization had omitted one trivial requirement—to give them arms. The conspirators in the Bois de Bologne saw Bonaparte pass; but, finding themselves totally unsupported, and having after rate spring of water near the dwelling house; in gonly three pistols to a dozen men, they let him pass without making any attempt. At the Hippodrome it was much the same, and at the Opera Comique the men were ready, but were still without weapons. The whole affair appears to have been a crazy concocition by political feeling in France. The trial is not yet terminated.

The contains four attention of the Stockholders in the attention, the 2th day of Decay Comique the men were ready, but were still without weapons. The whole affair appears to have been a crazy concocition by political feeling in France. The trial is not yet terminated.
