STOLEN Daily Morning Post The person who carried off our book, "The Iniversal Gazeteer," from our office, a few days since, would do well to return it immediately,

Phillips & Gillmore, Editors & Proprietors.

PITTSBURGH: TUESDAY MORNINGDECEMBER 13. MORNING POST JOB OFFICE. We have now employed in our Job Office an

unusual number of excellent job printers, and are prepared to axecute all orders with neatness unsurpassed, and with a speed that shall not be

proceedings of the Ladies' Association for the re-lief of the poor of our city, together with the fourth annual report of the Secretary of the As-

feel assured that they did all in their power for ben in nomination, and by so doing gratify the relief of the destitute and suffering. But the limited contributions of our citizens afforded but a meagre support to their most praise-worthy forts in this labor of charity and meroy. One hundred and seventeen families found to is a sample of the manner in which that docu efforts in this labor of charity and mercy.

During the past winter, our Society assisted During the past winter, our Society assisted 117 families, most of them repeatedly—gave out 48 ready made woollen garments, and materials 49 ready made woollen garments, and materials 49 ready made woollen garments, and materials 40 ready made woollen garments, and materials rials for 77 others; thus making in all 312 new disappointment in some-leaving us little to re-garments-also 23 pieces of second-hand cloth-ing, 14 quilted comforts, 107 pairs of shoes, certain points upon which we had no more than the second second shoes and the second se 1520 Bushels of coal, \$100 20 worth of prosi- expect them to agree."

sions, and \$7,53 worth in medicines." Occ. wealthy family would spend twice the the Gazette's column of extracts from whig fawhole value of all that upon fashions and luxur- pers.

ies in a single winter. The forther fact too is Initiplication and Extension of Iron disclosed by the report, that the contributions were less last year than the previous year. Provisions, during the present winter, are likely to

he dearer than any season before for many years. Yet it has been a year of plenty and prosperity. What shall be done this year ? What will those tedious and expensive steps, into and from the whom Providence has blessed with abundance, pig metal state, as now generally practiced. and with comfort, contribute this year for the

relief of those less favored and fortunate ? It is not the rich alone who are called on to Cincinnati, then at Cleveland, next in Wisconsin, and now in our immediate vicinity. We have seen the process, and witnessed the results. We have seen the mineral coal and the possess the comforts of life, and have a dollar or an old garment to spare, can aid in this truly crudefore, after being crushed or pulverised, and good cause. Thousands that go to theatres, conmixed in suitable proportions, put into a hopper like a bag of grain, at a country mill; and have seen it, when sufficiently destidized, come forth certs, operas, lectures, and places of amusement,

could easily deny themselves one dollar's worth like so much meal or flour, into a common pud dling oven, apparently liko so much red hot of such gratifications, and contribute those dollars to this good cause ; and the aggregate would sand, and without having been melted, from

nerensing expenses. as the day for the coronation of the Emperor and Empress. The ceremony will be performed by the Archbishop of Paris, who will previously be reated a Cardinal. The reported revolt at Lyons proves to be in-Norway, Mexico, and Sweden, and mark the pro orrect. The Orleanists are too busy to talk of

usion with the elder and younger branches of the Bourbon family. The Moniteur contains an announcement that insation had been made for the spoliations of 1849 and 1850. The Council of State has voted 8,000,000

francs to pay the legacies of Napoleon I. The cholera prevails in Paris-the average being about nine cases per day. Scarcity of breadstuff still causes anxiety,

notwithstanding the immense imports. The Cortes has commenced its sessions. Senor L. Molins is appointed Minister of War. A reward of £100 is offered for the discovery of Edward Lamb, of Boston, missing from Paris ince June.

PORTUGAL .- The infant of the Queen died as well as 'its mother. The Regent continues the former ministry. Rumor already affiances the young king to the daughter of the King of Belgium. The Miguelite bonds rose in Paris on the announcement of the Queen's death. The Pennzylvania has, for a more brilliant array o tion of Spain and Portugal is again talked of. ITALY -The King of Naples has sent a special messenger to apologise to France for the reconcentrated in any five men, than is to be found in the persons of Black, Lowrie, Lewis, Woodcent insult. France demands the immediate smissal of the Minister of Police. ward and Knox. Such a Court is an honor t

A great financial difficulty at Naples is antici-AUSTRIA. - The Emperor's marriage is appoint-

for April 29th. The stage of siege in the Hungarian provinces s more vigorous than ever. EGYPT.-The Russian Consul General at Alex-

andria has received orders from his government to leave Egypt, in consequence of the Viceroys to the Turks. BOREMIA.—An active emigration movement is going on in Bohemia to America. INDIA AND CHINA.—By the overland mail from

India, Hong Kong dates to October 11, and Bombay to the 28th, have been received. Trade was dull at Calcutta. Shanghai continued in posses. sion of the insurgents. The Ning Po district was very much disturbed, and some fighting was

going on at Amboy. Canton was tranquil. In Burmah, another war appeared imminent It was reported that the King had been assassin-ated, but the telegraphic despatches received contradict this.

CLAIMS ON THE BRITISH GOVERNMENT .--- The London Times, of the 16th ultimo, has the following paragraph in relation to the mixed com-mission to settle the outstanding claims which States might have against the Government of the age \$6,096,225, and proves an active and grow-

"The commission, consisting of Mr. Edmund index, or service in carrying the mails, muni-tions of war and soldiers free. A road sure to this so profitable as that needs no other aid: and we presume will get no other.
