This valuable Medicine, which has become celebrated for the number of extraordinary cures affected through its agency, has induced the proprietors, at the urgent request of their friends, to offer it to the public, which they do with the umost confidence in its virtues and wonderful: Tative properties. The following certificates, selected from a large number, are, however, stronger testimony than the mero word of the proprietors; and are from gentlemen well known in their localities, and of the highest respertability, many of them raskling in the city of Richmond, Va.

P. HOYDEN, Esq. of the Exchange Hotel, Richmond, known everywhere, says he has seen the medicire called cases, in nearly all the diseases for which it is recommended, with the most astonishingly good results. He says it is time met axtraordinary medicine he has ever seen.

AGUE AND EXPER—GREAT CURE—I hereby certify, that for three years I had several Physicians, took large quantities of Quinine, Mercury, and I believe all the Tonics advertised, but all without any permanent relief. At last I tried Carter's Spanish Mixture, two bottles of which effectually cured me, and I am happy to say I have had neither chills of ever since. I consider it the best Tonio in the world, and the only medicine that year rached my case.
