SAMUEL L. MARSHELL,
Secretar property in the country has been disposed of over and over again. I had no difficulty in finding it, for I had a note of the precise day the were as giants to pigmies, compared with this inconsiderable number of bolters. We have now employed in our Job Office an where anthracite is burned. The experiment inconsiderable number of holters.

In the large manufacturing towns of Great Britain with complete success. Birmingham, Manches with complete success. Birmingham, Manches ter, etc., have been wonderfully benefited by it, and now it is looked upon by the owners of factories mills. For any areast accommission improves the success of the capital states o In the first year of Gen. Jackson's adminisseased died on. It is only the date which unusual number of excellent job printers, and have any business with. The will was dated the day before the man died. I, of course, had are prepared to execute all orders with neatness unsurpassed, and with a speed that shall not be John Shipton.

GETIZENS' INSURANCE COMPANY, Pittsburgh, December 15th, 1853.

Pitts President and Directors of this Company have the day declared a Division of Five Dollars por Shi ften heard of men making their wills when they were just at death's door, without any par-ticular thought being excited; but this time I was surprised, as a single fact very often does tories, mills, &c., as a most economical improvement, deducting largely from the expenses of their establishments.

It will be seen by the above extract that the edit of that paper is satisfied of three facts.

Ist. That the smoke nuisance can be abated.

Of Morth Carolina; and John M. Berrien, of Ga. The thousands of cutificates in the hands of the propriement, and the timedates vicinity, go to show clearly, of little will be seen by the above extract that the edit of the paper is satisfied of three facts.

Ist. That the smoke nuisance can be abated.

Of Morth Carolina; and John M. Berrien, of Ga. The thousands of cutificates in the hands of the propriement of the transfer well known eitherns of the divor, many of which are from well known eitherns of the timedate vicinity, go to show clearly, of little will be seen by the above extract that the timedate vicinity, and the timedate vicinity, and the timedate vicinity, go to show clearly, of little will be seen by the above extract that the timedate vicinity, and the timedate vicinity, go to show clearly, of little will be seen by the above extract that the timedate vicinity, go to show clearly, of little will be seen by the above extract that the timedate vicinity, go to show clearly, of little will be seen by the above extract that the timedate vicinity, go to show clearly, of little will be seen by the above extract that the timedate vicinity, go to show clearly, of little will be seen by the above extract that the timedate vicinity, go to show clearly, of little will be seen by the above extract that the timedate vicinity, go to show clearly, of little will be seen by the above extract that the timedate vicinity, go to show clearly, of little will be seen by the little will be seen by the late of will be above will an at less cost or inconvenience to the little will be seen by the distance.

The thousands of cutificates in the hands, of the distance will be will be seen by the distance.

The thousands of cutificates in the hands, of the little will be seen b rursuant to notice, the Committee met and organized, at the St. Charles Hotel, when, upon surprise us, when we have passed by a host of similar ones unnoticed. I knew the man who two dollars eredited to the stock decidence where two dollars eredited to the stock decidence SAMURL L MARSHELL, Secretary 500 for sale by ALEXANDER GORDON, dec21 am\$1* had made that will. He was a threwd, praden motion of GEO. WILSON, seconded by AUGUST had made that will. He was a rerewd, prudent, sharp lawyer, who had risen from nothing to be a man of immense wealth. If he was distinguished for any qualities in particular, it was for punctuality and promptitude. None of the ditor of that paper is satisfied of three facts.

1st. That the smoke nuisance can be abated.
2d. That the adoption of the remedy, instead of being a burdensome expense, would be an economical improvement, deducting largely from the expense of manufacturing establishments.

And,
3d. That it would be an improvement of great importance to the good name and prosperity of our city.

It also states the fact, which we have repeatedly asserted, that the Smoke Consumer is in successful operation in several large manufacturing cities in England.

their party. Calhoun's native State ever sustained bim, but with all his transcendent powers of it. their party. Calhoun's entitive States ever sustained bim, but with all his transcendent powers of it. Those having a dread of mixtures are assured that this mentics of mind, he was never anything out of it.

In Jackson's second term, another rebellion in line and illustrious than those who combinated under the lead of names scarcely less of mind, he was never anything out of it.

Those having a dread of mixtures are assured that this mentics well as the suffering patient, to become acquasited with its well as the suffering patient, to become acquasited with its mentics mentics. In Jackson's second term, another rebellion in the secon FALLER, it was Resolved, That the Democrats of Pittsburgh, OP DEPOSITS AND BALANOES OF DEPOSITS in the EXCEPTION OF THE BALANOES OF DEPOSITS in the Exceeding thist sum, which, within the three years next preceding the date of this statement, have not sitter been preceding the date of this statement, have not sitter been increased or diminished, with the name of the depositors, increased or balances are the date when such deposits were made or balances as meet in their respective Wards, at the usual clerks of his office were ever five minutes too places for holding primary meetings, on Saturday next, the 24th, and elect five delegates to represent them in City Convention, which will meet late. That was an offence not to be forgiven No one ever knew him to be behind at an apon the following Wednesday, at 11 o'clock, A.
