There are thousands of persons who are afflicte with a Rupture of the Rowels, who pay but little attentic o the discase until the bowels becom as strangulated, who in all probability it may be too late. How important it is hen, for all those suffering with any form of "Rapture of the Bowels," to call at once upon Dr. KEYSER, at his Wholesale and Retail Drug Store, corner of Wood street and Virgin alley, and procurs a TRUSS, to retain the protruding portion of the bowels. Dr. KEYSER has an offic back of his Drug Store, where Trusses are applied, and warranted to give satisfaction. Its also has every variety of Trusses that you can name, and at any price, to suit the means of every one in need of the article. I also keep

every kind of Supporters, Body Braces, Suspensory Band-ages, Elastic Stockings, for enlarged voins, and all kinds of mechanical appliances used in the cure of disease. I would respectfully invite the attention of the public t an excellent TRUSS FOR CHILDREN, which invariably cffects cures in a very short time. OF DR. KEYSER'S DRUG STORE AND TEUSS DEPOT

SALE OF PUBLIC WORKS. Mr. Strong has introduced into the House s bill providing for the sale of the Public Works of Pennsylvania.

Mr. Strong is a strong man on the whig side of the House, and is one of Philadelphia's ablest representatives. But we cannot wish him success in this measure. Mr. Hart of Philadelphia introduced a resolu-

tion for the appointment of a committee to incertain. quire whether fraud had been committed last winter in procuring the charter of the Venango railroad.

It is said that the happened to a solution of 200,000 Mantchou troops. The rebels had not, at the latest advices, ar-rived at Pokin, but had taken the capitals of four troops. Honan, Shand-That bill was pretty freely discussed during its passage last winter, a member from Philaprovinces, probably Keangsos, Honan, Shanddelphia opposing it.
