On motion of Mr. Canard, the committee

at New York, reached the sum of one hundred and thirty thousand dollars; this, too, for the least expensive, although not least important, of minting operations; whilst that of the Mint at Philadelphia, with its vast coinage, large corps of officers, and legion of male and female oper-

atives, has scarcely reached one hundred and eighty-five thousand dollars. It is a gratifying fact that, with a coinage in the contingent expense of the mother mint have not advanced over fifteen per cent. on the dis-bursements required in 1848. Thus steadily advancing in economy and coinnge, it would be unwise legislation to arrest her meritorious

Can New York insure cleaner hands? I point you to the records at Washington for an answer a triumphant negative. Can she insure a corps of officers, under the present conflicts of the Hards and Softs for the

supremacy, of more learning and skill? You have an answer in the history of the present Mint, presenting, as it does, the fact that the most important and responsible officers of that institution have been retained—aye, cherished by successive administrations, Democratic and \$150,000. It is true that New York, to a great degree country, and that she is the great receiver of bullion flowing into the States. It is likewise

true, that such portions of the bullion received by her as require coinage or recoinage have to be transported to Philadelphia for that purpose, at the expense of the owners. This is the single pected to recover. and only point on which the advocates of removal can plant themselves with a show of reason -yet this is, at most, but a transfer of expendiincrease the profits of the money dealers of Wall street, the government that coins without charge, except for refining and alloy, would have to foot the bills for increased prices of salaries, labor and smelting materials. Congress, in it wisdom, at various periods, has attempted t control and regulate the immutable laws of trade. This, however, proper in its frame-work, has portion. A furnace is to be crected in New been as suddenly dashed to piece by the tered currents of the latter. The wisdom of the ver from the ore, if found to exist in large quanhed to pieces by the nnalcapitol has been severely taxed to keep silver and gold side by side in the money market. A out changing the standard fineness of either, the silver was reduced in standard weight : yet within thirty days thereafter (the issue of coin)

the shorn silver coin had out-distanced its gold-en competitor. So it will be, I trust, when Con-the competitor. So it will be, I trust, when Con-their pockets at least well bled.

| bope it will increase, and help to restore rapidly | some of the lost wealth of its enterprising pubgress attempts to rule the destinies of cities by trages on one and favoritism to another. Yhatever may be the future action of the na- Niagara. tion, hoping for the best, and impressed with the conviction that Pennsylvania will not be deserted in the end, I predict that, within the next ten years, under the benign influences of the bill City (Mr. Price,) which provides for consolidating the different incorporated districts that surand Philadelphia into one municipality, coupled with the renewed vigor and enterprise of To those who feel secure in the continued pos secsion of the Mint within our State, and who may, perchance, view the alarm expressed in the lutions as without foundation, I would say n great earnest, that we are already in the hands

of the enemy, and shorn of more than half of our strength. This insidious and cunning Delour strength: This insidious and cunning Delilah, failing in repeated attacks to accomplish and Massachusetts Western railroads. her purpose, lulls us to repose, whilst she amu.

About \$10,000 is already raised to repose, whilst she amu. melting department, and will have consummated her purpose fully, should the recommendation, or rather intimation, of the Secretary of the Treasury of the United States be carried into execution. All it requires now is an appropria-tion for an additional wing to the present build-ing, a steam engine, and a few lever coining

To demonstrate that the hand of the government is turned against us, I beg leave to refer the Senate to the views of the Secretary of the Treasury of the United States, communicated Congress during its present session. In alluling to the arrangements made by the Depart-nent at New York, he says:

"The property was rented for the term of fifyears, at a rent of \$53,000 per annum,

with the privilege, should the appropriation be made, of purchasing within two years at \$530, 000, with interest from date of the lease, the payments made for rent to be deducted from the amount. The leases and contracts accompany this report. The bank buildings have been altered to suit the assistant treasurer's office, THE SUPREME COURT MOVEMENT.

edge that the price agreed to be given was high; but it was thought, under the circumstances, to be worth to the United States the sum agreed to be given. The purchase, as provided for in the leases, is recommended to Congress."

Sir, it is top evident, from all this proceeding, that the hand of the government is really turned against us—against a State whose patriotism officiated at its birth and christening, sustained it in its first years of adventure, and sheltered preserved it in vigorous manhood, when its anchor was dragging fearfully before the tem-

prupose of obtaining a prompt disposition of the resolutions; and that our action may be signal and effective, I propose, at the proper moment, to make a call for the yeas and nays.

THE MERCHANTS' TRETIMONIAL. -Mr. Tileston. Treasurer of the Merchants' Exchange Committee, had received, up to Friday, the sum of \$12. people and their interests, and the people, to 970, towards the testimonials to the captains and crews of the Three Bells, Antarctic and Kil-

met at twelve o'clock to-day, to make the final arrangements for a distribution of the reward to the captains and crews engaged in saving the passengers of the Son Rra the San Rranoisco at sea. | changed from a justop reported that seventeen thousand dollars had been subscribed by merchants, one thousand of which, however, was yet to be this end of the State, the proposed change is those worthy persons, but we were unable to obtain the particulars in time for to-day's parishner lawvers must be employed, and suitors

agreed to give two hundred dollars to the first officer of the San Francisco; two hundred dollars to the second officer are capt. Creighton, of the British ship Three Bells, is to receive two mousand five hundred ars to the second officer. &c. dollars in money, and o service of plate. The presents to the captains of the Antarctic, The presents to the captains of the Antarctic, Kilby, Lucy Thompson, and to various others who risked their lives, and afforded comfort to the persons on the shipwrecked vessel, will be valuable. They are to consist of sold and silver raluable. They are to consist of gold and silver medals and money .- N. F. Post.

Wisconsin.—The message of the Governor of Wisconsin was sent into the Legislature of that State on Thursday last. From it we learn that the whole sum paid into the Treasury during the year amounted to \$811,682 61. The disburse. ment during the same period amounted to \$262,-489 20. The balance in the Treasury, January 1st, 1854, was \$57,186 48. The estimate of the bable amount to be drawn from the Treasury probable amount to be drawn from the Treasury during the present year, for the general expen-ses of the State, is stated at \$147,210 70. The means applicable to meet the same are estimated at \$160,017 74. The school fund on the 1st of at \$160,017 74. The school fund on the 1st of January, 1854, amounted to \$1,141,804 28,— arising almost exclusively from the sale of lands granted by Congress. The whole amount expended in the erection of school houses within the Rate has been \$289,346 89, of which sum

The school fund on the 1st of Judges of the Supreme Court ought to be liberally increased. A merchant with moderate capital can make twice the money the judges received with half the labor.

C. A. MOMANUS' DANCING ACADEMY, AT LAFATETE HALL.

MR. O. A. McMANUS respectfully announces to the M. Isdies and gentlemen of this city, that having already introduced the "Polka Quadrilles," he has now in practice among his pupils the new and beautiful "Schottisch" and "Mazurka" Quadrilles; together with many new and popular dances nover before introduced in this city.

Ladles' of gentlemen wishing to join his Academy, can commence the second quarter this present week.

Ladles' class meets on every Tucaday and Thursday afternoons, at 2½. Gentlemen's class meets on Tucaday and Thursday versilegs, at 7½ o'clock, and Masters' class on Saturday afternoon at 2½ o'clock.

The next Quadrille Party will be given on Monday evening, Rebruary 18th, 1854 (8k. Valentine's Eve.) which will be a "Yalouine Party," (particulars of the party given hereafter.) at which the Schottisch Quadrille will be danced.

He would also state that the "Fancy Costome Party" will be given on Monday evenings, February 27th, 1854.

N. B. Persons desiring Plano copies of either of the Quadrilles, can procume them of Mr. C. A. McMANUE, sithe Hall, on days or evenings of school, as he has contracted for the music with the Kastern publishers.

[ARGOVE HALL, Fourth street near Wood, opposite La-AT LAFAYETTE HALL. CARGUE HALL, Fourth street near Wood, opposite La-Laystte Hall, can be obtained for Parties, Fastivals, Concerts, Public Meetings, &c. Also, Cargo's Cotillon and Sax Horn Rand can be found in readiness at all times, by applying to WM. FRANK CARGO, at the Crystal Palace Daguerrean Rooms of R. M. Cargo & Co., Yourth st. [jy19]
