This may in truth certify, that I have been so badly affilicted with Scrofula for the last seven years that most of the time I have been unable to attend to any kind of business, and much of the time unable to walk and confined to my bed, and have been treated nearly all the time by the best Physicians our country affords; I occasionally got some relief, but no cure, and continued to grow worse until Dr. Foot-recommended me to try the Petroleum, or Rock Oil, as everything else had failed. I did so without faith at first, but the effect was astonishing; it threw the poison to the surface at once, and I at once began to grow better, and by using seven bottles I have got a cure worth thousands of dollars.

Mr. J. M. Kier—Dear Sir: Myself and wife having been greatly benefitted by the use of your Petroleum, I wish to have you send me a box of two or three dozen bettles. I am the Congregational Minister in this place, and several of my people are affected with indigestion and an inaction of the liver, the same of myself and wife, before taking your Petroleum, or Rock Old. We took several bettles—two or three each—about a year and a half-ago; and we have never enjoyed so good health for years as we have since that time. I had not taken a single bettle, before that fulliness of the stomach which so distresses the dyspectic was relieved, and I have foll nothing of it since that time.
