Daily Morning Post.

THOMAN PHILL Phillips & Gillmore, Editors & Proprietors. PITTSBURGH:

rest.

Democratic County Committee of Correspondence. Ap Parsuant to notice, the Committee met and organ-leed at the Bt. Charles Hotel. The Chairman having stated the object of the mosting, JOHN C. DUNN offered the following resolution-which was adepted : ing resolution-which was adepted: Revolved, That the Democratic cliizens of the several Wards, Boroughs and Townships of Allegheny County, meet at their usual places for holding Primary Meetings, on RATURDAY, the Jeth inst, and each elect two Delegaties to represent them in County Convention, which will assemble at the Court House on the following WEDNESDAY, the 3241 finstant: The meetings will be organised at 3 o'clock, and nomain opèn nuil 5 o'clock, P. M. The Democratic cliizens of the First Ward, Allegheny City, will meet at the Public School House in said Ward. The Democratic cliizens of the Second Ward, Pittaburgh, will meet at the Duquesue Engine House, on Smithfield et. On motion, adjourned, and Channary Courts

In motion, adjou DAVID CAMPBELL, Chairman. DANIEL W. BOSS, JAMPS BLACKHORE, } Secretaries. of Ireland.

- READING MATTER WILL BE FOUND ON EACH PAGE OF THIS PAPER.

BATURDAY MORNING POST, Which is now issued, contains the Europea news received by three arrivals since our last. The information is of the most interesting character: a carefully prepared Market Report, which can be relied on; a Money Article, containing much information of financial operations; Tales and Poetry; Editorials; Local News; Miscella-

counter-price, five cents. The late Slanders on our State.

Since the visit of Governor Bigler to Eric, w hear very little more about the Erie war. The England" as follows :--insolent presses of New York are no longer able to induce western presses to slander Pennsylvapia; except two or three sheets of no account or Inflaence. One of these, within a few days, has prevent her overnaning European Turkey, and little is said. stated that in consequence of the Erie difficul- possessing herself of the Dardanelles and the New Hamps stated that in consequence of the Erie difficulties, more than two million dollars of western consider that a New York falsehood, published at the west for pay. It is just about as ridica. lous a lie as the story lately told that sixty thousand dollars worth of western orders for Pittsburgh glass had been withdrawn. No such thing has happened; and the author of the story doubtless knew it was false; and there is no doubt that the author is a New Yorker. Now that the smoke and dust of the Eric battle are clearing away, and time is afforded the are clearing away, and time is attorded [God, this nation is peculiarly calculated to de-for calm reflection, it must appear to every base whatever it conquers and to demolish civihonest mind that, within the last four months. one of the most infamous games of envious and break compatition has have attempted by Name the accession to the dominion of such a power of

unfair competition has been attempted, by New York merchants and railroad directors, that this country has ever witnessed. A desperate effort was to be made to destroy the credit of the Pennsylvania improvements and interests, and the Pittsburgh and Philadelphia trade; all for the benefit of New York: and slander and falsehood were the wespons employed. The Erians were insulted and slandered, and driven to harsh measures of self-protection. Then, their con-

measures of self-protection. Then, their con-duct was seized upon as a mere pretext the Danube will be as effectually closed to comfor lying about the whole State. A few western merce as the Deeper, the Dilester, or the Volga. editors were found either blind or wicked enough to abet the Gothamite fraud, and retail its false-

THE NEWS BY THE AFRICA. News and Paots from all Quarters. A New York letter of Friday says-"I was It is stated that another great battle has been lought at Kalafat, between the Turks and Rus- informed, this morning, of a party who purheld at the Town Hall in the Borough of Brown fought at Kalafat, between the furne and the stand and the standard standa the navigation of the Monongahela river, by the however, that such a battle has been fought, as it a few days since, at a profit of \$8 124 per bridges at Monongahela city and Pittsh the Russians' were preparing for it. England barrel. Gain about \$65,520 !" Samuel B. Page was called to the Chair, and and France have at length awakened to the fact | The last number of the Edinburg Review says :

that while they have been negotiating the peace, -"Every Minister of the Crown who advises, the Czar has employed the time thus gained in and every member of Parliament who votes for making vast preparations for war, and assem- a war with Russia, must, if he understands the bling armies on the Turkish frontier to over- true interests of England, be prepared to make whelm the Sultan in a single campaign. The the utmost exertions, to strike the hardest blow, Mai. Wm. Barkman. London papers are declaring that further delay and to inflict the deepest wounds which the vast ble and resolutions, which were una

resources of the country will permit." will be ruinous to the cause of the Sultan. Sweden and Denmark have issued an official We have been informed that Lieutenant Murleclaration of neutrality during the impending ray is not a Pittsburgher. We were mistaken in Valley, for many years past, have labored under struggle, but are fortifying their coasts.

truggle, but are fortifying their coasts. saying he was. Great political excitement prevails at Madrid, The Savannah Republican says that Count Pu laski's remains have not been recovered, for that the Count died on shipboard, of his wounds, Pitteburgh, as well as the bridge at Monougaand changes in the ministry are expected. A serious food riot has occurred at Limerick, that the Count died on shipboard, of his wounds, Ireland. Much destitution prevails in that part between Savannah and Charleston, and was buried in the sea.

The Russian fleet had arrived at Hong Kong from Japan, and brought news of the death of St. Louis, of which Rev. Wm. Homes is Pastor, scuttling them, and in time of highest tides, prohibit the passage of almost every descri of water craft, until public feeling has the Japanese Emperor. was dedicated on the 8th inst. The House cost

the Japanese Emperor. The Eoglish and French fleets have escorted in safety a Turkish convoy, which carried 15,-000 soldiers and a great quantity of arms and dedication the church and society met to con-dedication the church and society met to constores, to Batoun. Schamyl has rallied all his dedication, the church and society met to con-forces, and is prepared to act vigorously on the sider this debt of \$70,000. Mr. Bacon pro-ers were so anxiously solicited by the citizens of Circassian side against Russia. The details of posed to the society to give \$40,000 of this Brownsville and vicinities, to raise the bridge at the late battle at Citale show that the Turks amount, if the society would raise \$30,000. In Pittsburgh to a sufficient height to obviate all fought with all their accustomed bravery, in three days the amount was raised, and thus in neous Selections, &c., &c. It is for sale at the many instances preferring to be cut down rather one week the church was set free from debt. than surrender. Mr. Bacon is a son of Massachusetts.

The London Times, of the 26th January, closes The Boston Post says :-- A young girl named an article on "The Peace and War Policy of Jesse Wickes, died on Thursday at Albany, from the dawn of the day when those nuisances thrown across our river like a Chevaux-de-frise,

ngland" as follows:-- an operation performed upon her by a woman in a manner only justifable to perplex an enemy for a purpose that has grown too common in and not a friend, shall be either raised or rethat it is solely, or even principally, on account of any droad that Russia should become a great our country, that should be printed against and moved. Breached against continually but about which Resolved, That we recommend to the corporate preached against continually, but about which maritime power, that we deem it expedient to
