THE CITY POST.

MONDAY MORNING.....FEBRUARY 27.

WARD AND GIBSON.—The trial of these two men is now progressing in the Court of Over and Terminer, of Westmoreland county. Their trial commenced on Monday last, before Judge Burrell. Monday, Tuesday, Wednesday, Thursday, and part of Friday were occupied in empannelling a jury. The court and jury are at present occupied in hearing the evidence. The proceedings thus far do not indicate that the prisoners will be found guilty. So we are informed by a gentleman from Greensburg.

OFF FOR CALIFORNIA.—Mr. William Harper, a young typo of this city, leaves this evening for California, via New York. Mr. H. has worked in Pittsburgh at the printing business for a number of years. He is an estimable young man, a good printer, and we feel confident that he will succeed in the Eldorado of the New World. He possesses every requisite to success; he is a good workman, industrious, sober, and intelligent; in fact he is certain to succeed.

RECOUPT BACK.—The negro accused of shooting a man in Westmoreland county, and who was taken out to Greensburg for trial, on Monday last, has been brought back for safe keeping to the jail of this county. His trial has been postponed until the next term of the Westmoreland county court.

M'MAKEN' COTILLON-PARTY.—This evening, the last of Mr. M'Maken' cotillon parties will come off at Lafayette Hall. The manner in which these parties have heretofore been conducted, is a sufficient guarantee that the present one will be worth attending.

FINED.—John F. Perry, S. Lang, and John Lucas were fined by the Mayor on Saturday, for violating city ordinances, in placing obstructions on the street.

LOCAL NEWS.—Saturday was a dull day, not only for locals, but for every thing else calculated to give zest to city life. It was a dull day, decidedly.

NEWS FOR RIVER MEN.

THE RIVER.—4 feet 9 inches water in the channel by the pier. There are indications of more water soon.

Three new boats are now finishing at our wharf; two of them for the Mississippi river. They are the *Grey Cloud*, built by Capt. R. C. Hazlett, and the other by Capt. J. Hamberson. They are both to be excellent boats for the Mississippi trade. Capt. Throckmorton is building the other boat which is designed to run on the Missouri river. Capt. Mark Sterling superintends the building of the last named boat, and from his long experience and great skill in such matters, the people of St. Louis may look for a good boat.

The steamer Ambassador, Capt. McGowan, broke her machinery at Blanchassett's Island, and it was taken out and brought up by the *Winchester* for repairs.

THE LATE EXPLOSION.—Two more poor souls—victims of the Kate Kearney explosion—passed, yesterday, to their spirit home. They are Wm J. Stewart, an estimable young man, late in the employment of Messrs. Hulbert & Hunt, and J. E. Newberry, the American express agent. When the wounded were carried to the hospital, on the day of the explosion, it was hoped that these, if any of the mournful list, would, with the proper aid, recover. Through injuries about the face. Subsequently, however, it appeared that he had inhaled steam, and, after much suffering, he died at noon on the 24th, on Monday night. His remains were conveyed yesterday to the house of his parents in Alton. We understand that at the time the explosion occurred, Stewart was assisting in the yawl, near the stove, side by side with the Rev. Mr. Gaswway.

Newberry received a severe wound on the head, whereby part of the skull bone was removed. At first it was thought that death must ensue from this injury. Subsequently, however, on a more careful examination, the brain was ascertained to be uninjured, and his physician and friends entertained sanguine hopes of his recovery. It was only on three days after, while removing him from the ward to a private room, that his back was discovered to be broken. His from the terrible injuries to his spine, yesterday evening—a lasting seals it.

COMMERCIAL POST.

DAILY REVIEW OF PITTSBURGH MARKET.

OFFICE OF THE DAILY MORNING POST,
Monday, February 27, 1854.

But little business was transacted on Saturday; except in a general retail way. The Europa's news, announced here about noon, caused a sort of panic among the dealers in Provisions and Breadstuffs—better news was looked for. The market for either was exceedingly dull to the after part of the day.

BULK MEAT.—We note a sale of 6600 lbs Sides at 6¼c, four months. This was before the steamer's news was received.

BACON.—The demand only moderate, at 6@6¼c, for Shoulders, and 8@8c for Hams.

OATS.—Sales of 300 bus at 41c; 218 do. from store, at 44c.

CLOVERSEED.—Sales of 10 bbls at $5,51, first hands; 70 bus at $7,25.

LARD.—Since the steamer's news has been received several lots have been offered, without finding buyers, unless at a decline from Friday's prices.

FLOUR.—Receipts continue unusually limited, and the demand brisk. We notice sales of 20 bbls, from store, at $7,25; 50 do at same; 83 do, first hands, at $7,12½@7,25, for superfine and extra; the market unsettled.

POTATOES.—Sales of 80 bus Pink Eyes at 45c.

BUTTER.—Sales of 18 bbls prime at 14@15c.

DRIED FRUIT.—We have sales reported of 800 bus at $1,55 for Peaches and $1,05 for Apples. 90 bus Peaches at $1,75; 60 do Apples at $1,25, from store.

SUGAR.—Sales of 4 hhds at 6¾c, cash.
