By Every well dressed man knows how difficult it is to nohiv understands the peculiaritie of each figure, and can suit its requirements with a well cut, gentlemenly fitting garment. Hence it is that so few feel "at home" during the first day's wear of any new article of dress, and however costly, never become adapted t their forms. To remedy so manifest a deformity, E. GRIB-BLE has practically studied both form and fashion, alway adapting the garment, weather, coat, vest, or pantaloons, cles of its wearer—thoroughly attaining that ele GRIBBLE'S GLOTHING HOUSE, 240 Liberty st., head of Wood

Mr. J. M. Kern—Dear Sir: Myself and wife having been areally benefitted by the use of your Petroleum, I wish to Mis. J. M. I am the Congregational Minister in this place, and several of my people are affected with indigestion and an inaction of the liver, the same of myself and wife, before taking your Pernotusus, or Rock Oil. We took several bottles—two or three each—about a year and a half ago, and we have never enjoyed so good health for years as we have since that time. I had not taken a single bottle, before that fullness of the stomach which so distresses the dyspeptic was relieved, and I have felt nothing of it since that time. My wife was also relieved from a chronic disease of the liver, which had been of several years standing, by the use of your Petrolaum.

JOHN YOUNG, JR., Recretary. ANGERONA LODGE, I. O. O. F.—The Angerona Lodge, No. 239, L. O. of O. F., meets every Wednesday evening in Washington Hall, Wood st. [jyl-y Scrofula. — It is due to KIER'S Prirocum to say that it has been known to completely eradicate every vestage of this dreadful disease in less time than any other remedy, and at less cost or inconvenience to the patient. tions.

The thousands of certificates in the hands of the proprietor, many of which are from well known citizens of the city of Pittaho—h and its immediate vicinity, go to show clearly and beyond ull doubt, that KIEES PERROLEUM is a medicine of no common value, not only as a local remedy in Phralys, Rheumantim, Defines; lots of Night, but as a valuable internal remedy, inviting the investigating physicians, as

bed, and have been treated nearly all the time by the best Physicians our country affords; I occasionally got some relief, but no cure, and continued to grow worse until Dr. Foot recommended me to try the Petroleum, or Rock Oil, as everything else had failed. I did se without faith at first, but the effect was astonishing; it threw the poison to the surface at once, and I at once began to grow better, and by using seven bottles Liuve got a cure worth thousands of dollars.

This may certify that I have been acquainted with Kier's Petroleum, or Rock Oil, for more than a year, and have repeatedly witnessed its beneficial effects in the cure of indecient ulcers and other diseases for which it is recommended, and can with confidence recommend it to be a medicine worthy of attention, and can safely say that success hea attended its use where other medicine had failed.
