GROEGE F. GILLMOR

It may be asked—why did not Russia push on and take Constantinople when ale had the power to do it? Count Nesselrode, in a despatch dated February 11, 1830, and addressed to the Grand reprusry 11, 1950, and Budressed to the Grand Duke Constantine, explains the State reasons for FRIDAY MORNING

forbearance : "It depended on our own armies to march on to Constantinople, and to overthrow the Turkleh empire. No power would have opposed if. No immediate danger would have threatened us if we nau given the last blow at the Uttoman mon-archy in Europe. But the Emperor was of opin-lon that this monarchy, reduced to exist only under the protection of Russia, and made to obey no other will than her's, suited better our politi-cal and commercial interests than any new com-bination which would have compelled us either bination which would have compelled us either not fail to please all our customers. Our work-to extend our dominions too rapidly by conquest, or to substitute in place of the Ottoman empire the Store with some become our pinches will labor assiduously to please all who will faor to substitute in plate to soon become our rivals other States which might soon become our rivals in power, civilization, industry and riches. It is in power, civilization, industry and riches. If is upon this principle of his imperial majesty that upon this principle of his important imposed that our present relations with the Divan are estab-lished. Since we do not wish the rain of the

TWENTY MEN AND BOYS WANTED TO SELL THE DAILY EVENING POST. Turkish government, we seek the means of maintaining it in its present state." FROM 1829 TO 1854. The Bussian influence in Turkey; down to the period of Hungarian struggle, has been almost unlimited. The low condition of the Porte in 1832 induced it to accept the armed intervention of Russia; and her military and naval force saved Constantinople from the victorious arms of neuronact An. A second treaty, July, 1000, sor that the best kinds of ush, such as pickeres, the seaboard are lar greater than formerly. oured to Bussia further privileges; and by it the trout, pike and teach, can be transplanted to There is no reason then why prices should ran any waters and bred, with little trouble, in vast up so enormously as was not long since pre-Mehemet All.
