THE CITY POST.

FRIDAY MORNING.....MARCH 10.

BOARD OF TRADE AND MERCHANTS' EXCHANGE.—A meeting of the members of the Merchants' Exchange and Board of Trade was held last evening, at Apollo Hall, to receive the report of the sellers.

Mr. John Harper, Secretary of the old Board of Trade, called the meeting to order. The minutes of the last meeting were read.

Mr. Geo. W. Cass next read the report of the Sellers' committee, the result of the sale mentioned, which is as follows:—

President—John Shipton.
For Two Years—William H. Smith.
Board Of Directors—William H. Brown.
Secretary—W. S. Haven.
Treasurer—J. D. Bailey.

Directors.

Dilworth W. Hopkins, Samuel M. Dorrah,
B. F. Jones, Wm. R. Smith,
John M. Snyder, Francis Sellers,
John S. Dilworth, Jonathan Piollet,
Wm. H. Brillhart, Wm. Bagaley,
David S. Pegg, H. Phillips,
W. S. Haven, William Bingham,
Thos. M. Bayne, James A. Hutchison,
William Eat, Jr., George Black,
Isaac M. Pearson, Hugh Hartaugh,
James P. Vance.

Mr. Shipton, on taking the chair as President of the Board, made a few remarks, in which he stated that the office he had been elected to was entirely unsolicited on his part, and he would endeavor to render the institution successful and useful, and to that end he desired the aid and consideration of the members of the Board.

Mr. Harper handed over the seal, constitution and charter of the Board of Trade.

A resolution was offered and unanimously carried, tendering Thomas Ballantyne, late President, and Joseph Marks, late Secretary of the Board, honorary members, for the thanks of the Board were tendered them for the able preservation of the society.

The Board then adjourned, and the newly elected Directors took their positions.

The Board elected Benjamin F. Rogers, Superintendent.

The Chair appointed the following gentlemen as a Committee of Arbitration for March:—Wm. H. Smith, (Vice President of the Board,) Wm. S. Haven, James A. Hutchison, Wm. Ritchelor and Wm. Eat.

After transacting some business of no public importance, the Board adjourned to meet at the call of the chairman.

SAD OCCURRENCE.—This borough is moving in the matter of the erection of Old Fellowship Hall, and through that pluck and zeal are in regard to the Monongahela river bridge. At a meeting held in the borough, on Monday evening last, the corporate authorities were instructed to subscribe a sum of not less than $50,000 for the capital stock of the road, payable to the board of Old Fellowship. The borough authorities were also instructed to grant the right of way to the railroad company through the borough. This action, of course, depends upon the railroad company making their road by the north bank of the river.

A grand ride and exhibition in regard to the Monongahela bridge, and its interference with the free navigation of the river, took place yesterday. The exhibition gave the idea of the dimensions of Hugh Maxwell's bridge, and to those living in the borough of Birmingham, and the people of Mercerville, and other boroughs and people interested, and contributing a pro rata share of any expense that may be incurred in any legal proceeding necessary to have said nuisance abated.

CHARITABLE EXCITEMENT.—A meeting of the Stockholders of this company, was held in this city, last week. A resolution was adopted at the meeting, directing the President and Managers of the Company to meet in this city on the 1st of April, as they may deem proper, with the managers or stockholders of any railroad running west or south of Pittsburgh, with regard to a connection between the roads by a consolidation of stock or otherwise. The corporate and private subscriptions to the stock of the company, amount to $260,000—leaving a deficiency of $90,000 to satisfy the company to obtain the city subscription of $150,000. It is thought, however, that if the sum of $200,000 can be raised, the subscription by the city will be made.

A committee consisting of Messrs. Wilkins, Brown, Lee, Hartman, Morgan and Watson, were appointed to obtain such additional subscriptions as would enable the city to make her proposed subscription. We trust the labors of this committee may be crowned with success, and this important affair of ours, opened to our citizens.

LARCENY.—Alex. Parkinson, of the Fifth ward, yesterday morning, committed to the county jail, a case named Alexander Dyer, charged with a larceny of $700, in money and notes, the property of Stallcup & Co., from a safe in Birmingham, on the second of this month. The larceny was committed about a month ago, and Carmichael was immediately suspected, but was not arrested until yesterday. He was employed by Stallcup, as a hostler, and taking advantage of his position in the house, it is charged, he abstracted from the safe the pocket-book, the sum mentioned.

THEATRICAL OPINION.—At a full meeting of the Stockholders of the Pittsburgh and Pittsburgh Theatre Company, the following officers were elected for the ensuing year:

Managers—Eddy Patterson, M. M. Biddle and George Lehman, of Allegheny county; and James Lennox and Lemuel M. Phillips, of Westmoreland county.

Auditors—Christian Entrelp, of Allegheny county; and Wm. P. Irwin, of Westmoreland county.

The other officers of the Memphis are elected by the Board, and the Chief purposes they will hold their stations, is April.

THE THEATRE.—The name of the man upon whom Coroner Lowry held an inquest on Wednesday, was Charley Longhany. He was found drowned in the Monongahela river, at a point about eight miles from the city. The deceased, in company with another person, was drinking for about five weeks ago, while under the influence of the evil of a smuggled coal boat. The body, however, was not found until Thursday last. Longhany was about thirty-six years of age, and resided in Baldwin township. He leaves a wife and two young children.

DROWNED.—Man Found.—About the first of January, a man named Patrick Fagan was drowned from a coal-boat in the Monongahela river, near Birmingham. On Sunday night, the body was recovered near the shore, and an inquest held on it by Coroner Lowry. Fagan resided on Webster street, in this city, and he leaves a wife and family. He was about thirty years of age.

DESERVED CONFIDENCE.—The first action of the Board of Trade last evening, after organization, was to elect Thomas Ballantyne and John Harper, (late President and Secretary of the Board,) honorary members of the new Board. This is a deserved compliment to these gentlemen, for to their efforts the Board is indebted for the preservation of its records.

CROSS SUITS.—Thomas Hughes was arrested yesterday, and held to bail by Alderman Parkinson for surety of the peace, by oath of Patrick Walsh.

Hughes afterwards brought suit against Walsh for assault and battery. He was also held to bail by the same magistrate.

PRESENTATION.—Messrs. Kirkpatrick, Kinnear, Jackson and Sherwin, the fire extinguisher lessees, presented Sheriff Magill, in whose custody they were for some time, with an elegant gold headed cane. This is presented to Mr. Magill as a token of their appreciation of his treatment of them while they were his prisoners.

STRANGERS ROBBED.—A young man named Charles Weaver was arrested yesterday, on a charge of stealing about forty-five dollars worth of clothing from the steamboat Tennessee. The information was made by Charles Hamburg. Weaver was held to bail.

ACKNOWLEDGMENT.—The young Mutual Mercantile Library Association received 30 copies of Rose Mitchenor's new work, Ida, Coke upon Littleton, Lord Bacon's Reports, Cowper's Reports, and 2 vols. Allyne Reports, presented by James Dunlop, Esq.

ASSAULT AND BATTERY.—George W. Kirby made information before Alderman Parkinson, yesterday, which he charged Frederick Bass with assaulting his (Kirby's) wife. Bass was arrested and held to bail.

DISMISSED.—Officer McCoy, of the Mayor's Police, has been dismissed from duty, by his honor, Mayor Yole. A successor has been selected, but his name has not yet been announced.

ATTENTION to the advertisement of Geo. Jewsky Merchant, Market street, will secure to all who deal in his line, great bargains. Call and see him.

THE RISING RACES, of yesterday may be taken as a sample, have no fear.—The rivers are in good order, and we will no doubt have them bank full ere long.

DR. WILLIAM'S lectures at Masonic Hall this evening. His lectures are well attended, and lead of matters of general interest.

ASSIGNEES.—In the Allegheny County court, the assignment list will be taken up by Judges Williams and Hampton.

DISTRICT COURT.—Before Hon. Moses Hampton, President Judge.

In the case of Goehring vs. Boyd's executrix, the jury returned a verdict, yesterday, for the defendant.

The remainder of the list down for argument before Judge Hampton, was laid over until the next term.

Before Hon. M. W. Williams, Assistant Judge.

In the case of Rogers vs. Wilson, the jury returned a verdict for the defendant.

Calvary Church vs. Monongahela Navigation Company. Watson for plaintiff, and Williams for defendant. This was an action brought to recover damages for two coal boats sunk by the river, by running against a dam. It was contended that as the defendant had raised, nearly three boats running on the river, it was bound to keep the channel clear of impediments, and, in good navigable order. On trial.

It was also further announced that before this was made a final announcement to the Czar, naming the definite time within which he must evacuate the Principalities.

PARIS.—A very significant announcement appears in the Paris Moniteur. It says, if the Sage of France and Austria are unable to act together, France will not permit any attempt at a separation between the Allies. This is regarded as a threat to raise Hungary and Italy if Austria sides with Russia. The same article says that Count Buol-Rauenberg, at the Conference, declared that Austria would not permit the integrity of the Ottoman Empire to be broken up. The greatest note from Greece, and further that France discountenances any attempt at insurrection anywhere. This last announcement is receiving no official.
