PAGE OF THIS PAPER. INVASION OF CANADA.

The New York Herald still insists that an in vasion of Canada is organized and will be attempted as soon as England is fully engaged with Rossia. John Mitchell is charged by the Herald with being the great moving spirit of the enterprise, instigated by Russian agents, and encouraged by Wm. H. Seward and the freesoilers. The Herald has the following :---

soilers. The Herald has the following :---Pacquess or rate Breass Mircurst. Fuzz.-We are en-bled to state that the plot for the invasion of Canada by the Irib, under the guilance of John Mitchell, and the advice of William H. Seward, goes on bravely. From a corres-pondent's letter, published yesterday in a Wall street co-temporary, we gather the important fact that. Mr. Caleb Lycon, member of Conjeres, refuses to fell what he knows on the subject Not very long ago. Mr. Lycon, was at the headquarters of Princes Gortschakt, on the Dales'er, and it is conjectured by certain parties that he then and there ma'e arrangements with Russia for a supply of monry to carry on the firsh faresion, when the Irish Directory fond falls. More improbable things than some such arrange-ment have been heard of before this. When William H. Beward undertakes a scheme, he is not the man to neglect any opportunity of driving it forward; and the lusianos would be quilto ready to ald and assist in a movement to harras Grats Britsh in that quarter. occupations are represented.

The New York Times too, seems to give some Mr. Jefferson's works, now in progress of publication, under the supervision of the Congres-sional Library Committee, edited by Mr. Wash-ington, will probably fill ten volumes. credit to the rumor of such a scheme. After characterizing John Mitchell's appeal to the Irish of this country as "very spirited, but very vague," it adds the following :

vague," it adds the following: The English people do not properly appreciate the mag-nitude of the struggies on which they have ontered. The despatch of troops for the seat of war—their parade through the stresst of London, and the military display which at-tends their 'embarkation—heraided by manifestees, pare inmiwnary dobates, the folmination of the press of the theatrical adiaso of royalty, constitute an exciting norwely over which the British populase naturally enough grow en-thusistic. Kngland feels her strength, and is ready just now to defy the world in arms. But a year or two of war will col this favor. The gaseliss of battles fought, the lat of deaths, the despatch of new troops, the laying of fresh taxes, the interruptions of trade and industry, the must always inflict on such a michon as England, will work a change in the sentiment of the public, which, at the best, is always fick ead unreliable. If at the well choose mo-ment of England's greatest depression, the Itah I a merica should stir up stambering in Canexia, and the Itah in Ter-lind should warken a projution at home, Great Britan which due besting the one of the state of the Itah in America in always the one more in the state of the state of the fishe in the moment of England's greatest depression, the Itahin America in always the availance in the state of the Itah is Ter-lind should warken a revolution at home, Great Britan which find hered for any of the state one difference in the state in the state of the stress in the state in the state in the state is a stress of the state one of the state of the Itah is a track of the state one of the state of the Itahin a merica should stir up stambering in Canexia and the Itah is Ter-lind theould warken a revolution at home, Great Britan ast week, amounted to 513, being 88 more than hat of the week previous. runkard.

should stir up shumbering in Canara, and the inste to re-lind should swaken a revolution at home, Great Dilain might find herself engaged in a very different contest form that it which she supposes sho has engaged. There is a Semesis for nations as well as for individuals; and England may are long be called to a severe account for the conturies of agony she has inflicted on the heart of Ireland. from Rome 664 works of art, valued at 1,850,-000 francs. In the meantime the English papers inform us that the English nation never entered upon a con-

flict with more enthusiasm and hearty good will than the present. The recruits for the armies are easily obtained, and a full supply of sailors dred and eighty one dollars. for, the flects offer at once, without impresso Canada during April. The dauntless spirit of John Bull is fairly

aroused, and, with his vast power on the ocean, he seems ready to defy the world in arms. The 'slowly recovering." English people, after so long a peace, seem to welcome war once more.

JUDGE M'CLUBE'S CHARGE TO THE GRAND JURY. PITTSBURGH, March 27th, 1854. Termedial, preventive process, this wise and noble conclusively that proper subjects for the discipline charity. Its moral aspect and relations no fig-present the discipline charity. Its moral aspect and relations no fig-ures of arithmetic can trace and no figure of fort in country district. There can arise no legal or technical difficulty from the interforence of third persons, or even parents, as regards the manner prescribed in the charter in which immates shall be admitted. The right of parental control is a natural right, but not an inalienable one. It is subject to le-ciplative pawer and not on excention to it by the To THE HON. WM. B. MCCLURE, President Judge

the population of which public opinion has awarded the character of a moral and virtuous people." Now contrast this with the following: whe

conviction must precede admission. It appears from the 26th Annual Report of the Board of Managers of the House of Refuge at gislative power, and not an exception to it by the

declaration of rights. The public is parens pa-triae. Society has a paramount interest in the virtue of its members which it cannot relinquish. Philadelphia, that the number admitted from January 1, 1858, to January 1, 1854, is as fol-lows: WHITE DEPARTMENT. Committed by Magistrates (where no con-. but which society too often neglects to assert, and

shuns to exercise Where parents are incompetent, or profligate, the public can exercise its rights, discipline, con-trol and guardianship, by taking the offspring under its own care and custody. And section vill of this charter carefully and COLORED DEPARTMENT. Committed by Magistrates (no conviction).... By Courts in Philadelphia (convicted)...... From Courts out of Philadelphia (convicted)

specifically guards against errors in commitments which might arise from ignorance, oppression, accident or otherwise. From statistics exhibited by those who have

From Courts out of Philadelphia (convicted) 9 Thus, from Philadelphia City and County, where alone conviction is not a passport, we have the enormous proportion of 294, and only 17 are sent after conviction in the Courts of Philadelphia, although the House of Refage is a so convenient there, and only an aggregate of 28, from all other counties in the State added togemade a thorough examination of the subject, it has been proved that the period of life within which the larger number of criminals fall is from which the larger number of criminals lat is from 15 to 20 years of age; showing also that while the population of the country between these years is not one-tenth; the proportion of crime is more than one-fourth. So true it is, that

"In the morn, and liquid dow of youth, Contagious blastments are most imminent." About this period of life, from 15 to 20, the

ther. If any authority need be quoted to sustain facts so plain the highest and best is to be found in the memorial of the Managers of the Phila-delphia House of Refuse, to the present Legisla-ture, praying a repeal of the restrictive section of their charter; and thus let flow a flood of be-nerolence, hitherto dammed up by the obstacle law begins to notice and punish offenders, but I presume that no statistical information of juveof a preliminary conviction. Our charter now, in this respect, is what their nile delinquency under the age of 15 could be collected with any certainty, as record evidence

would be but meagre, for, from many causes, of-fenders of tender years are not informed on; or if information is made, the magistrate dis-charges with an admonition; or if returned to will be when thus amended. It is apparent that 1. A House of Refuge will not answer its de-

sign where conviction must precede admission. 2. That where conviction is not essential to ourt, witnesses will not appear to testify against admission, the design and advantages, are fully realized. them ; or if tried, they are acquitted. Hence no reliable data can be obtained as a basis on which Realized. 8. It is plain by the charter of the Western House of Refuge, that a conviction is not neces-sary to obtain admission from any County em-braced within the limits of its charter. to form a correct estimate of juvenile delinquency in the earlier stages of life. There can be no

doubt, however, that a vast majority of those who are convicted, between the ages of 15 and 20, commenced their career under the age of 15, to say nothing of those who are convicted after 4. Every county in Western Pennsylvania having equal participation with Allegheny coun-ty has a deep and permanent interest in this in-

A great proportion, two-thirds, I believe, o It is a usep and permanent interest in this in-stitution. It is difficult to refrain from dwelling at great-er length than would be expedient here, upon a topic so prolific in argument, and so frnitfal of the most enduring benefits. Dry the fountain of depravity and its bitter waters will cease to flow the immates of the Eastern House of Refuge are orphans. Such also will doubtless be the case in the Western House of Refuge, for the loss of

rents, or parental neglect, exposes the infant contaminating influence. It will also be found that a great proportion of he residue, who are not orphans, are those who I humbly trust that I may, without any impuinve been doomed to double orphanage by having iving parents who are worse than none. In the former case, when the offspring is taken into the custody and care of the House of Refuge, society but does its duty: in the latter it but ex

courts of Justice are not the places either to to punish or reform a juvenile offender; because, 1. He cannot be convicted though guilty. 2. The penitentiary is not a proper place for

d certes of a bit of the State.". The Superintendent of the institution at Roch-ester, in November, 1453, says: Although we have indentured, and otherwise discharged about 70 bys since January last, our house is full to its utmost capacity, and we shall doubtless be compelled to refuse admittance to those who ought to be committed before we can increase our accommodations." "In the State Reford School of Massachusetts there were 724 inmates received from November 1st, 1848, the date of its opening, to December 1st, 1852, the date of its opening, to December 1st, 1852, the date of the last published report of the Institution."

the chaking and coughing its falls of altogether by the irrita-tion of worms. Therefore, we say again, keep it always in the bouse; it costs but little, and may be the means of saving life; and at any rate it will save physician's bill. Mas. Lasz, No. 333 Eighth street 1 UND : Generation make a special announcement' to the classes of Fitchburgh, that he has efficient an enringement with the great American actrons Miss Fith BELLY, whose de lineations of character in the highest walks of Tragedy, Jonnedy, Jorana or Farce, have been received with crewded and mant fachloanble and incors in all the principal cities of the Union, and met with the unanimous approlation of the press. Her sudden and "rapid career in the information is precedent, and start and the press." desires to make a special an P. S.—The above valuable remody, also Dr. M'Lane's cel ebrated Livier Fills, can now be had at all respectable Drug Stores in this city:

without a precedent, and shappa her a lady of true grain and most wonderful scompilthments. During her wugag ment, she will appear in a variety of characters, some qui new and novel, outbracing a roll in which it is confidenti believed the has no avapteriar. Her list of playsembrace th Purchasers will be careful to ask for, and take none but Dr. M'Lane's Vermifuge. All others, in comparison, ar
