Consolidation .- On Tuesday ovening last, an adjourne ens of Birmingham conv chool house, to adopt measures for the more bountifal sur. ply of the Borough with water.

After the regular business of the meeting had, been dis sed of, the following preamble and res ted, on motion of George E. Appleton, Kag.: WHEREAS, This meeting has heard that a bill has been in-roduced into the Legislature of this Shits, providing for the ommolidation of the cities of Pittsburgh and Allegheuy, and he adjoining horoughs, including this borough, and

whereas, no pollitons have been smit to our someonor help resentaires, praying for such a law, and the citizens of this horough are enthely ignorant of the provisions of the same, therefore, boilt, Eczolocd, That in the opinion of this meeting, all laws should smanate, from the people, and this bill witch has been sprung upon as from the catellat-exthilits strong evi-dence that individual interest, and not the genural good, has never that is dividual interest, and not the genural good, has

There of the sprung upon us from the capital, exhibits strong sytting for the chain individual interest, and not the genural good, has prompted it.
 Bestered, That our Benators and Regresentatives be rogened to postpons action upon this bill, until those whose interests are to be affected by it, shall have an opportunity of examining its provisions and objects, and by their pail time duples, which was defasted, Councils adjourned.
 Common Council.—Mr. McAuley taking the chair. A memorial, signed by over sity citizens, praying that of examining its provisions and objects, and by their pail time treet, in the adjebberhood of fire large churches, was tread and referred to committee on augines and hose.
 Wo understand many of the citizens of Birmingham are strongly in favor of the consolidation, of their fouriabing borough with the city. But they object to the law now be fore the Legislature, on the ground that it was not prepared with that care which the subject demands, and, in the favor prepared with the care which the subject demands, and, in the favor prepared with the care which the subject demands, and, in the favor prepared the favor which are subject demands, and, in the favor parent and referes to committee on such streets as the poley of consolidating the city for a stars of a store pile or solution to experiminate the poley of consolidating the city and surrounding districs. If the present bill is not right, is a proper plan be pursued to amending it. Do the way they dollars. Call a meeting, and aspoint a dord the supervised to Barted and the favor as also passed in Balet to a fine of not less than one nor the start was the necessaries as the subject of the consolidating the city for conneces as the subject of preparing a better bill; then forward the supervised in the favor as supervised in the favor as also passed in Balet to a fine of ould less than one of the care which the subject a suported, the motion of Mr. Chignell. Mr. There sublice the motion o

STRAMBOATING IN CALIFORNIA .-- A gentleman engaged in steamboating business in California, writing to a friend in this city, gives some interesting information in regard to this business in the Golden State. The letter will infort be this interested, that its does state. The letter will inform the interested, that its money can be lost as well as gained its was haven been osted, that money can be lost as well as gained in ast five months. I have understood that all the larger boats have entered into a joint stock concern, so that they can run off all the little stern wheel boats. This will be the means of making the trade better. I never saw boating

so dull as at present-ono-half of the boats are laid up While I am writing I can see six steamers-all laid up." AND STILL ANOTHER STARBING CASE .- Yesterday afternoor about two o'clock, a fight took place on the corner of Elm and Prospect streets, between two colored men named John Cook, alias Jones, and George Johnston. As to how the affray originated, no one can tell; when the parties were first discovered, they were fighting with their fists, but in a very whort time afterwards Johnston drew from his pocket a dirk knife, and stabbed Cook twice, in the breast and aldome Immediately on committing the deed, Johnston ran o Cook walked in a fainting condition, to Alderman Heisley's

evening There was nothing hackneyed or copied about it, and no studied imitation, but a freshness and novelty in the office, where his wounds were dressed by Dr. MCandles whole style and manner, which was very impressive and beautiful. It was a finished performance-of a class to assisted by Dr. M'Cook, Jr. The wound in the abdomen is ery serions, and, it is feared, will prove fatal. The woun charm the intellectual and refined--and reflects the higher In the breast is merely a flesh wound. After Cook's woun redit upon the genius and talents of the lady. - Last even had been dressed, he was conveyed to Mr. Passavant's In- ing she performed Julid-and appeared in a new comed firmary, where every attention was paid to him that hissit called The Little Turkey.
