It was listened to with great interest, only interrupted by the separation. Mr. J. N. Forner also delivered an oration, which was heardjuint attention, and at times by its eloquence called forth appliques; subject: 'The human constitution in its social character.' Beesys were read which reflected great credit on the young lady writers, and might rank with the writings of more pretending names. Miss Martha Glass on "Night," and Miss Suran Hunter on "Light," produced specimens of composition that could be taken as models in their style.

The whole formed an entertainment that would realound diligence.

FROST THE NEW HAVEN PALLADIUM.

So Frost Wort or Rock Rose.—A medicine under the tille of "Rock Rose," made from a plant of that name, is having a great run in this vicinity for its curative properties. The cry of "quack," so truly applieable to at least one half of the medicines of the day, cannot be justily applied to the Rock Rose, for it has "made its mark" in the stiry in several cases, to the relief and cure of sufferers, when other remedies have failed—and what is quite rethen other remedies have failed—and what is quite remarkable, some of our best physicians do not hesitate to speak very favorably of the compound. The cartificates of cures are not fabrications, but from highly respectable persons, most of whom are well know to us. The manufacturer is also we'l known to us as a centleman who would not be engaged in a humbug, or in deceiving the public in any

We cheerfully endorse the above, having witnessed its good effect, ourselves, on pulmonary and scrofulous com-plaints. We balieve it is the best compound for colds and coughs, extaut. The Rock Rose has long been known as a plant of rare medical virtues, and its preparation is superntended by a gentleman of ability and character, in this city.-N. H. Register.
