not proposed by those who adhere to the strange dogms, enunciated by the new Mayor of Philadelphis, to change the settled policy of this nation political affairs which must be as uncertain as it adopted as citizens, but a much more dangerous and unjust ground is assumed. It is practical workings are to be received and workings are to be retrospective. It proposes to take from citizens the civil rights which they have already acquired under the constitution, by organizing a power to subvert that instrument. It is an attempt to settle a policy not settle and full exercise of their religious opinions. It is an attempt to introduce a test in policical affairs which must be as uncertain as it the party, last Wednesday delivered a specoh, oatensiby upon the Homestead bill, but which the party, last Wednesday delivered a specoh, oatensiby upon the Homestead bill, but which was in reality an elaborate argument against the studied policy of the graphs. This leading Whig Senator and High Priest in the party, last Wednesday delivered a specoh, oatensiby upon th woraings are to be retrospective. It proposes to take from clitizens the civil rights which they have already acquired under the constitution, by organizing a power to subvert that instrument. It is an attempt to settle a policy not recognized in any law of this country, that hereafter no man born out of this country, that hereafter no man born out of this country, that hereafter no man born out of this country shall hold a civil office under the government—no matter the has come here upon the faith of the laws of the land—no matter how good his character; how effective his abilities; how thorough his education; or how numerous his virtues—no matter how dovoted his attachments to the constitution; nor how orthodox his religion—no matter though he has suffered and bled for his adopted country. With such we are to have no political communics—we must not listen to their advice nor employ them in the public service. The standard of honesty and capacity is to be overlooked—and the circumstance of birth, and or people of the same government. It is taked its or people of the same government. It is taked its the form of the same time that they give him humbler views of him as a rational, intelligent creating for the government, and not made to be governed to prevent the facts that clause in the Declaration of Independence, to which we called attention a couple of the king of England.) has endeavored to prevent the heave for the naturalization of Independence, to which we called attention a couple of the king of England.) has endeavored to prevent the heave for the naturalization of Independence, to which we called attention a couple of the king of England.) has endeavored to prevent the heave for the same time in the season of life. They teach man's equality with the same time in the same time that they give him humbler views of him as a rational, intelligent creaming the population of these states for that purpose obs

of the government.

Here is a disfranchisement of the most obmorous character. The alien and sedition laws were passed under the administration of the elder Adams in the height of the insolence of federal domination. But they were laws, while being and tand cruel in its results. It is in effect, an administration of the alien law of black cockade federalism, without the courage to place it on the statute book. Its spirit, essence and design are the same.

The Constitution of the United States authorsiese Congress to passe uniform laws of naturalization. We may pass uniform laws of naturalization we may penture the general remark, that all gol.

Dill BUILDING LOTS FOR SALES, 1ying between the boroughs of Stewartstown and Eharpsburgh.—
The undersigned has recently had surveyed off into Emiding Lots that very eligible and besutiful lot of land, containing about 20 acres, 1ying on the bank of the Alleghany river, between the above towns, and will offer them for
sale at public auction, on BATURDAY, the 18th day of
July, at 3 ociock, P. M. For beauty of scenary and saluhyty of location, this property is not excelled in the county,
and it offers inducements to purchasers; not only to men
of moderate means, but also to those withing to urchase-

july, at 3 o'clock, P. M. For beauty of sonerty and salusity of location, this property is not accelled in the county, and it offers inducements to purchasers; not only to men of moderate means, but also to those wishing to purchase a site for a suburban residence, rarely to be met with. The brige scross the Allegheap at or near Sharpsburgh, (and which is now under contract, will be located on this property, connecting with the Lawrenceville and Sharpsburgh, Plank Road, and bringing it within 4 miles of the Court House when the Allegheap Valley Railroad is finished, and it is expected to have the cars on this fail; the station will be near the bridge, and will thus enable persons to leave home and be at their place of business in a few minutes. Two regular daily packets from Sharpsburgh to Pittsburgh pass through the property several times a day, and the kx-clior Line of Omnibuses also pass it every hour. Plots of the grounds will be ready for delivery in a few days.
