ADVOCATE OF DISUSION.

The enemies of Democracy, who are trying to form a northern party, well know that should their efforts succeed, and their party triumph in the North, a dismemberment of the republic would specify follow as a necessary and unavoidable consequence. Some of the more honest of the whig and abolition leaders admit this fact, and boldly arow their readiness to see the Union dissolved.

Read the following from the Buffalo Express, a white paper, in relation to disunion:

"The North is prepared for each british, the following from the Buffalo of the state of the third that the content of the state of the third that the state of the state o

chamber Inquisition." He alludes, also, to the division of the School Fund; says he is opposed to any such proposi-tion, but thinks that American citizens in the en-joyment of free speech have as good a right to scuss that public measure as any other, with ut being curbed and overawed by threats and n from secret political comb nations the refers also to Judge Campbell's appointment, but denies that it shows any corrupt bargaining or connection between the Catholic church and

or Connection between the Catholic Body B. Tathe Democratic party. He says:
"When Gea. Jackson appointed Roger B. Tancy Chief Justice of the Supreme Court of the
United States—at a time, too, when more Catholics voted the Democratic ticket than either before or since, —a great man to a great office,—
there were one mixed or foolish enough to there was no one wicked or foolish enough to prefer a similar charge against him. * * * * It is true a majority of the Catholic citizens
