TELEGRAPHIC. THE CITY POST. By the O'Reilly Lines for the Morning 1 FRIDAY MORNING

THIRTY-THIRD CONGRESS. sorry to assidunce that Mrs. Bushnall, the mother of the child who died on Tuesday, from Cholers, was also attacked orox Chrr, July 20.-Senats-The Texas debt bi res taken up. Mr. Beil made a speech against it, when i res lask saids, and the Senate resumed the consideration o he Homestead Bill. Mr. Misson advosated the amandment reserving from the persitors of the bill the lands northwest of Okio ceded to be Wineted States and the senate of with the same disease on Wednesday night, and died early sing. Previous to the death of this lady, a ounger than the one whose death we noticed, was likewise seleed by the terrible malady, and suffered was likewise sensed by the terrible maisay, and subsects, severely, but we are happy to learn, is now out of danger. The hubbhill of the hady, subsequent to her funeral, was

operations of the bill the lands merth west of Ohio coded to us by Virginia. Messre, Badger and Toncy opposed the simulation. Mr. Barard moved to postpone it until Docentier naxt. Mr. Walker opposed the motion, and urged the passage of the bill. House.--Mr. Olds reported the Post Office Route Bill, and urged its machine and second bill. and unsuend of the sale, successfunction one runsers, was also taken down with the same symptoms, and was lying very low last night. This is truly a most unfortunate unit-with lesthan furnishes and the size that the Induct - mr. One reported the last of the set of the se four members of it having been siready nly fatal cases of Cholera that have yet co-

arried on or the only fatal cases of Cholers that have yet of These are the only fatal cases of Cholers that have yet of surred in the city, slithough runners (totally unworthy of credence,) are prevalent, of numbers dying. No farser need to a city of a constrained of the disease ever resulting an spidemio be entertained of the disease ever resulting an epidemio to a city, is lieu of a military. Superintendent in the antiponent of the mational eredences, hre prevaint, at human's synds. In basis models, be entrivised of the disease wear resching an epidemic 1 form, of even becoming dangerous here. If there was any probability of such an event, it would certainly have occur-red already. The hot weather of the last faw weaks, wender it as more liable to be visited by the terrible destroyer at that time, than the present; and as we escaped then, we do The bill was then passed : yeas 93, nays 62-after which be House adjourned.

Amperation of the Sandwish Falands, Naw Yoz, July 22.-The New Yor, Thbur's specia Washington correspondent states positively this Commis stoner Gregg has nearly concluded a triaty anhering the Sandwich Linds on the United State. The only mention of think it will be premature to say, that, with the exer caution on the part of our citizens, we will ge through the summer without feeling the slightest cause for question is whether the Islands will come in or State The whole subject is kept a prof

ESCARE TROM JAIL. -- Two persons, named Al-fred Hall and John Jones, escaped out of the county jail. yesterday, in the following manner: It appears that in order to give the prisoners an opportunity to wat a bittle yesterday, in the following manner: It appears that in order to give the prisoners an opportunity to get a hitle fresh air, these two persons, along with a few others, wrre allowed to remain in the jail yard during a part of the day. Jones, seeing a piece of scantling lying in the enclosure, affixed a hocky which he had procured in some manner, to TELEGRAPH MARKETS.

AUCTION SALES.

Jones, seeing a piece of scantiling lying in the encleaves, affield a hook, which he had procured in some manner, to the end of it, pieced it against the wail, and climbed over, making off without being discovered. Hall immediately followed, but not being so fortunate as his companion, wai interespited and receptured before getting out of the Court House yard. Jones has been in jail for some time, and, his estatement would are expired today. Itsi was convicted of larceny at the last term of Quarter Sessions, and had an imprisor mut of nine months to serve out. Severas Strong. — We learn that a terrible wound are sized without so mone wind, strong by which the testing of connery for a long time the last ling sill full testing biology and out, and the sill board of the size of

ROBBERT -A man named William Miller gas stenday arrested on the charge of stealing a coat worth elve dollars, and \$12,50 in money from James Miller

rried off by this insidious disease.

From the evidence given before Mayor Vois, who examined the prisoner, is appears that the parties were both boarding at the house of Peter Wyman, in Diamond alley, alseping in the same room, and that atter the property in question was milised, the cost was found in possession of the accused, which justified the prosecutor in the suspicion that be had also taken the money. Miller was held to ball in the som of \$500.

stoo. GRATIFYING.—There were only four commit-ments to the county jail generalsy-two from Alleghenry, and two by Mayor Voiz. Whether there is an actual de P. M. DAVIS, Auctioneer. Jaslitr
