DYSPEPSIA. It has long been the study of Physicians, to discover some remedy for this most distressing complaint. Whether they have been successful, remains for the sufferers to say. There are, in this country, hundreds of thousands who ar suffering from ludigestion, probably, in most cases, caused by their own imprudence in living. To these we would say try MYERS' EXTRACT OF ROCK ROSE. It has cured, n: will cure, the worst and most obstinate cases of Dysersia, and all its concomitants,—Costiveness, Sick, Reado, Heartburn, Flatulency, Acidity, &c. See the follow-

Hernia, or Rupture of the Bowels.
THERE ARE THOUSANDS OF PERSONS WHO are efflicted with a Rupture of the Bowels, who pay little attention to the disease until the Bowels lecome strangulated, when, in all probability, it may be soo late. How important it is, then, for all those suffering from any form of Rup-ure of the Bowels, to call at once upon DR. KEYSER, at his Wholesale Drug Store, on the corner of Wood street

and Virgin alley, and procure a TRUSS, to retain the pro-truding portion of the Bowels. Dr. Keyser has an office back of the drug store where Trusses are applied, and war-ranted to give satisfaction.
