FOR CANAL COMMISSIONER, HENRY S. MOTT,

PITTSBURGH:

We would call the attention of MERCHANTS AND BUSINESS MEN to the fact that we have just received are now prepared to fill orders for Cards; Circulars, Bill Heads, Paper Bocks, Posters, and Programmes for exhibitions. All orders will be promptly filled .

News of the Day.

ment in Chicago as yet. One day it will diminish considerably but on the next there will be an increase, and it is probable nothing short of conl weather will abate the pestilence. On the 26th there were 29 deaths, 19 of which were from the epidemic disease; and upon the 27th sixteen deaths—from all diseases, 23.

Mayor Conrad has interposed the veto power a second time. In this case it was an ordinance relating to "the Supervision of the Girard Estates and the Girard College for Orphans," This will do for an anti-veto power Mayor. The Pelice bill, increasing the police to 820 men has also finally passed the Philadelphia Councils. This is more than doubling the force.

Mr. and Mrs. Barney Williams had a benefit at the Broadway theatre, New York, at which the price of admission was one dellar, and that immense structure was crowded from pit to dome. A splendid dismond bracelet, with a ministure watch attached, was presented to Mrs. Williams by Hon. Dan. B. Taylor, on the part of the Committee. After the performance was ended. Barney announced that the whole proceeds

SLAVERY AT THE WEST.

Within ten years from this date, Missouri wi probably become a free State. The question of

all at the fire, and he was compelled to follow the evident truth that slavery depresses the eaergies of the people, and retards improvement, enterprise and progress. Missouri has been for thirty-three years a State of the Union, yet it has now less than eight hundred thousand inhabitants, of whom about eighty seven thousand are elaves. Illinois, though a younger State, has a larger population; and has a system of railroads and canalis that develope her wealth, and add rapidly to the extent of her population and cultivated lands. Missouri has but forty miles of railroads in control of railroads and canalis that develope her wealth, and add rapidly to the extent of her population and cultivated lands. Missouri has but forty miles of railroads for a recomplication of railroads and canalis that develope her wealth, and add rapidly to the extent of her population and cultivated lands. Missouri has but forty miles of railroads for a recomplication of railroads and canalis that develope her wealth, and add rapidly to the extent of her population and cultivated lands. Missouri has but forty miles of railroads for a recomplete the companing members recited down.

The first manufacture of the follow manus are irro-tended to follow the fairmount slone. At Fourth and Callowhill the Moyamensing, and a crowd of men who bad been posted in the Moyamensing members, and the more target and extraordinary extent among the eaergies of the people, and retards improve rised, the manufacture of the supervise and extraordinary extent among the eaergies of the people, and retards improve the medity of the science of the Moyamensing the people, and retards improve the medity of the combating proposed and extraordinary extent among the projects to get money or lands of the Keptern Devision of the general extension of nois bear double the price of farms equally productive in Missouri.

oming generally convinced that slavery

A gentleman who is now exploring the terriwhich we take the following :

"The truth is, as an old citizen of Missouri just said, more than one half of the people in Missouri wish slavery out of the State, and are opposed to its introduction into Kansas; and what can a few men do against the army of freemen from the North, now pouring in here, under such circumstances? Why just what they are doing, and nothing slow the large are referred.

caping to the free States and Canada. And concealed deadly weapons. while there is a prospect of emancipation at no distant day, few slaves will be taken into the

Arkansas, too, there is a strong sentiment in favor of the abolition of slavery. The farmers are becoming convinced that slave labor is not profitable. And many believe that the existence of the institution prevents the influx of which is the strong sentiment of the convergence of the institution prevents the influx of which is the convergence of the institution prevents the influx of the convergence of the institution prevents the influx of the convergence of the Arkansas, too, there is a strong sentiment in

BUGBEARS AND HEBOES .- The wags of Missouri and Kansas must opjoy the sport finely of witnessing the slarm they occasion at the north by their practical jokes. They have now offered \$200 for the capture of Mr. Thayer, who is supposed to be now in Kansas. He is president of the lassachusetts Emigrant Aid Society. The whig papers of the north are publishing this offer of a reward as an evidence of the terrible peril t which northern men are exposed in approaching Kansas; and the Missourians laugh at their foolish and unmanly fears. A Massachusetts man, writing from Kansas, to the Worcester Spy, has the following remarks on the subject:

MONDAY MORNING::::::JULY 81

News of the Day.

There were seven deaths by Cholera in Wheeling for the three days ending Thursday last.

The Detroit Board of Health report 30 deaths for Wednesday the 26th, more than three-fourths of which were from Cholera.

The Franklin Fire and Marine Insurance Co., of Saratoga, failed on Thursday last for about There have been eight deaths by cholera in the Bitimore Almeshones on Thursday. A SINGULAR ARVAIR Comnomission A gentieman who is now exploring the terri-tory of Kansas, writes a very intelligent and candid letter to the Worcester (Mass.) Spy, from at No. 21 Walnut street, Philadelphia, kept by a man named Fisher. A party consisting o the woman went to the bouse on Thursday night and engaged ledgings. The four were put in the same bed. About two o'clock in the morning a tremendous hallooing was heard in the apartment of the assertion that more than one-half of the people of Missouri wish that they were clear of slavery. It is well known that Col. Benton is no friend to the institution in Missouri; yet he is elected to Congress from a district largely interested in slave property. The triumph of Benton over his political opponents is a tolerable clear indication tremendous hallooing was heard in the apar political opponents is a tolerable clear indication that the pro-slavery feeling is not strong in the State. Many are selling their slaves to the more continuous and she was present at the hearing of the case. She knew of no motive for the infliction of the wounds. Frith was beld in \$800 to answer the charge of assault to the more continuous and the same of the same to the sa Southern States. Many slaves are annually es- and battery, and \$800 additional for carrying

A PREDICTION BY MR. CALHOUN.-The Rev. The dormation of two new free States in Nebraska and Kansas,—free by the will of the people,—will give a new and powerful impulse to the feeling in favor of emancipation in Missouri. We have no doubt that, could any safe plan of emancipation be proposed, a large manifest of the result of the resu plan of emancipation be proposed, a large majority of the people would vote for the abolition of slavery in Missouri to-day. The St. Louis Herald has the following remarks on this subject:

"In Missouri, slavery is at a stand, if not retrograding, it may be said, with almost literal truth, that the slavery he said, with almost literal truth, that the slavery he said, with almost literal truth, that the slavery he said, with almost literal truth retrograding to their respects. Because, in such a state of sobeling immigration of Missouri entirely cases three years. almost literal truth, that the daser of Missouri entirely cases three years lavebolding emigration from Missouri co-day than there were respect is, that the years hence their less than it is now. There are now these and 87,000 slaves. Ten years least 1,200,000 whites—probably less ere are now more than eight free years hence, likely enough, there to one slave."

men to one slave. Ten years hence, likely enough, there will be twonty freemen to one slave."

Unless the Missourians abolish slavery they will find that their State cannot keep pace with the rapid advancement of Illianic variables. — The Buffalo Democracy, of the 26th states that on Wednesday last, a man residing in the vionity of Chatham, C. W., drove a yoke of oxen upon the transfer. the rapid advancement of Illinois, Iowa and Western Road, fastened them head and foot, and Kansas, in population, wealth and public improvements; and of this fact they are themselves doubtless aware. Their slaves are not so were injured and great damage was done to the numerous as to be dangerous if gradually set free: and it will be done before many years.

In the northern and western portions of hension, and we trust he will not escape.

profitable. And many believe that the calculation of the institution prevents the influx of settlers from other States, which is no doubt the settlers from other States, which is no doubt the lend him 5,000 francs. "No," said the Baron, "I only do business, now, with crowned heads;

PROM WASHINGTON.

WASHINGTON, July 27. Appropriation Bills—Jack's Grog—Land Gradu ation and Homestead-Deliberate Legislation-Fraud in Minnesota Railroad Bill-Investigating Committees, Corruption, and Lobby Members-Destruction of Greytown-Foreign News. The two Houses are now fully ecoupled with the annual appropriation bills, the House of Representatives having passed yesterday the Navy appropriation Bill, and the Senate made progress in the Civil and Diplomatic bill. An amendment was carried to the Navy bill increasing the appropriation for pay, which will enable "You perhaps have soon reports of meetings in our restorm paper, with re-olutions designed to intimidate torthern men, and to keep them from setting in this territory; but, if you have, you may believe me, they are all or effect. Some political mountebanks have written out here reports and resolutions in their bedrooms, read them to their friends, to the number of one or more, and them

Baltimore Almshouse on Thursday. There were also several cases on Friday, some of which resulted fatally. It still continues very virulent in the Buffalo Almshouse, where upwards of forty have already died.

The cholera seems to suffer but little abate—

gress, and such a one with the greatest malignity by this Swiss corps.

The newspapers have chronicled the destruction of Greytown, by the United States sloop of war Cyane. I perceive that the Whig papers are already attacking the administration for this are already attacking the administration for this an apology had been demanded and refused, and nothing more done, the same papers would have been the first to assail it on account of its want of spirit and neglect of American honor and interests abroad. The facts as given by these parties, No.140 corner Wood st. and Virgin alley.

Health vs. Riches.—It. Monsis's invitonation of spirit and neglect of American honor and interests abroad. The facts as given by these parties, lade with disease and death, it is of the highest importance that the blood should be purified and the system. of spirit and neglect of American bonor and interests abroad. The facts as given by these papers are greatly distorted and misrepresented. The citizens of Greytown are composed of Indians, negroes, mulattoes and a springling of whites, many of whom possess less character than their dark associates. The Indians are half associates, subjects of Gallinipper 1.. and the necessary of the subjects of Gallinipper 2.. and the necessary of the subjects of Gallinipper 3.. The herb which forms its principal ingredient is chewal by the inhabitants of Arabia, where it is tound, as dians, negroes, mulattoes and a springling of whites, many of whom poseess less character whites, many of whom poseess less character than their dark associates. The Jadians are half in the saveges, subjects of Gallinipper 1., and the negroes and mulattoes are freed ones from Jamaffe sea. The her which forms like principle p

desisted. Mr. Borland baying gone on shore to desisted. Mr. Borland baying gone on shore to visit our commercial agent, was himself mobbed and insulted. Hence the visit of the Cyane to demand apology and redress, and if it was not given, to take it. No one who views the facts dispassionately, and reflects that the Greytown, with a few exceptions, was nothing more than a nest of picayune pirates, setting all law at defiance, and having little or no government of its own, can deny that the retribution was deserved.

The foreign news still continues to be of the same old sort. The allies accomplish nothing; the Russians make such strategic movements as they think proper; and nobody knows whether Austria is the friend of Russia or of the allies. Sir Charles Napier has spent three months in the Baltic, and has careful and the careful to the first of the careful and the careful to the first of the continues to the of the self-set of the self-set of the careful and the pertition of the continues to the of the same old sort. The allies accomplish nothing; the Russians make such strategic movements as they think proper; and nobody knows whether Austria is the friend of Russia or of the allies. Sir Charles Napier has spent three months in the Baltic, and has careful and the contaction to their isacion to their isaccontactly on hand.
