

Daily Morning Post

PITTSBURGH: SATURDAY MORNING, AUGUST 6, 1910.

DEMOCRATIC TICKET. JOE GOVERNOR. WILLIAM BIGLER. CHIEF OF THE STATE COURTS. JEREMIAH S. BLACK. HONORARY COMMISSIONER. HENRY S. MOTT.

News of the Day. Both branches of Congress were to have adjourned yesterday, but the Senate has resolved not to until Monday.

The drought is destroying the trees and all vegetation in the southern part of Maryland. In some places there had been rain since the 7th of June.

Mr. Bert, of South Carolina, the telegraph says, has been appointed governor of Nebraska. It was not mistaken, he was formerly Governor of that State.

Dr. R. M. Graham, whose Spanish method of Col. Roosevelt was a few days previous by his outrageous conduct in the streets of New York. In one of these attacks, on Tuesday night, he attempted to strike the Mayor.

The large size of the paper was objected to by our readers. This was the first time that the paper had been enlarged.

At the commencement of the controversy between Russia and Turkey, England and France intervened, and demanded that the integrity of the Turkish empire should be preserved, and that the boundaries of European empires and spheres should remain as heretofore.

AD AND COMFORT AGAIN

The "free will" editor of the Gazette is his old habit of giving aid and comfort to the enemies of his country. Three or four hundred vagabond negroes and Indians at Graytown have been plundering and looting American citizens for years, maddening and impoverishing the public, and doing on the ships and burning down in warehouses; and because tardy punishment has overtaken them at last, the venal and traitorous editor of the Gazette is agast with horror and discomfit in the case.

The case of this country has been punished, and he gave like a madman. We look upon such conduct as a disgrace to the public sentiment as a moral and a national disgrace. It is a disgrace to the honor and dishonor in the case. The case of this country has been punished, and he gave like a madman. Wheat Ploughing

While perusing the columns of the "Newspaper" I have long been long to see brought forth the facts of the wheat ploughing in the spring of 1910, and being acquainted with the conditions of the wheat crop, I take the responsibility to introduce a few remarks into the columns of the "Newspaper."

The wheat crop in the spring of 1910 was a record for the country. The yield was estimated at 1,000,000,000 bushels, which is a record for the country. The yield was estimated at 1,000,000,000 bushels, which is a record for the country.
