and yet to avoid the latter, physi-I vory's old stand, Perrysville Plank Road.

DAVID CAMPBELL, Chairman John Barton, | Secretaries.

News of the Day. Owing to the reported failure of several banks city and even every rural district is overrunn, in Michigan, Philadelphia brokers refuse to take any notes of that State at present. Indiana health, of which they would seem to avail them

any notes of that State at present. Indians bank notes continue also to be in bad odor; with New York brokers ditto.

It will be seen by an article from a Virginia paper that P. T. Barnum's great show that visited this place a couple of months ago, was mobbed at Lynchburg. The Richmond Fnquirer says it is not surprised that the universal dissatisfaction, ended in a row. Other papers speak of the Wax exhibitions, &c., being a complete farce.

The New Orleans Courier says that eighty

speak of the Wax exhibitions, &c., being a complete farce.

The New Orleans Courier says that eighty cases of yellow fever had taken place at the Charity Hospital, and that the rumber was increasing. There had been deaths daily probably for about one week. One physician considerably for about one week. One In private practice the disease is mild and readily yields to medical treatment.

An exciting five-mile foot race took place on between Wm. Barlow, the pilot of the Peck slip ferry boat, and John Grindoll, a Nova Scotian. After the 38d round, Barlow gave out much to

opinion on the subject; but they are not numer- enough in all conscience. oue, and have no intention to desert their party, question. The only Democrats we know of who desire to injure the party are the disappointed office seekers, and a few, a very few friends,

whom they have been able to mislead. from all parts of the State are of the most encouraging character. The reaction in Philadelphia is well known. The effort to strike down the naturalized citizens, and crush a religious denomination, has awakened a sense of justice among all classes of our citizens that will show itself in the coming election. There is a strong sense of justice and right among the yeomany of this Commonwealth, that is soon aroused s, action when such a political and moral rrong is attempted. In the heated atmosphere and covered puriless of citizen and residues and or control politicians may fourist in the such a conspiracy against the constitution and rights of a large class of our citizens may fourist in the such as the politicians of citizen. While control provided a pirit for a short time. But the great mass of the voters are the geometry of the control, the control politicians of citizen. We are much mistaken if the Kow Nothing complary, and while such that will seep the State of politicians of citizen. We are much mistaken if the Kow Nothing complary, and while superior that will seep the State in October next in O to action when such a political and moral

Chambers. He is a consistent and scalous advocate of the cause, and he denounces the effort to and the attempt to seduce the democratic portion of those voters from our ranks has failed. The friends of that cause are too earnest and intelligent to be made the dupes of trading politicians. Then, the great mass of the free soilers are resolved to abide by their own organization, and support their own ticket. They know well that the Fillmore fugitive slave law whigs of 1850 | ter; and whereas are not their honest friends in 1854. They, too, refuse to be duped. The natives also refuse to be bought or sold. They will vote for Bradford; and the Know Nothing vote will be divided. Where, then, are the new elements of strength
