News of the Day. In Buffalo there were forty-four cholera death last week-only five of which were Americans. The Directors of the Eric Railroad have resolved to issue new mortgage bonds, in four yearly payments, to exchange for income bonds, due on the let of February. A majority of the holders are relied on to accept this.

The Danish frigate Tordenskold, the second Danish war vessel that has visited New York within a twelvemonth; took her departure for Copenhagen on Tuesday, after exchanging salutes with Fort William.

On Wednesday afternoon a man named James Britton, reciding in Cincinnati, came home, very much intexicated, and commenced a quarrel with his daughter; after abusing her for some time he seized a kettle of boiling water and scalded was arrested and taken to the watch house. St. Louis was visited by another destructive fire on Monday morning last. It broke out in the third story of the large stove and tin ware establishment of Mr. John W. Burd, which was entirely destroyed. Loss \$10,000-insured in the Tennessee and Floating Dock companies. The adjoining saddlery establishment of L. Dors. heimer was much damaged also. Insured for \$4,000 in the Lumberman office, and \$2,000 in the Pacific office. Mr. John Young's saddlery

Among the Asia's news is the announcement near Dresden. Frederick Augustus, King of Saxony, was born in 1797, and ascended the Saxony, was born in 1797, and ascended the throne in 1836. He was noted for nothing particularly, except a passionate love for the study of Botany, and as a considerable patron of the matters affecting American interests, and honor, raveled some years ago through his dominions traveled some years ago through his dominions traveled. One day he entered the hut of a peasant to seek some refreshment. While particularly, except a passionate love for the study of Botany, and as a considerable patron of the matters affecting American interests, and honor, and rights, is scandalous.

Here so onsiderably. For some months part, as general curtailment of expenses has been a cessation of a general curtailment of expenses has been a cessation of speculative movements in the general markets. The Mercantile classes have restricted material, the markets. The Mercantile classes have restricted material. The markets. The Mercantile classes have restricted material, the markets. The Mercantile cl "and, besides, King of Saxony." As Saxony

gether against the American government and American interests and honor. The Liverpool (England) Times denounces the destruction of Greytown as unjustifiable and barbarous. Of course, no one expected anything else from that quarter. That the English press should condemn the destruction of a town they had founded for the purpose of disturbing and plundering our travel and commerce across the isthmus, and that the Whig papers of this country should republish their denunciations, was expected. No one doubts their right to express their opinion on the sabject; and no true American cares
