turn his ruin to account. He will improve and beautify his wife's property until it becomes the wonder of the neighborhood. He will buy everything that is to be sold, and dispose of it again at any price, to obtain the money he requires. What money he does not want he will hide or bury. He will carry on a wholesele gurtan of What money he does not want he will finde bury. He will carry on a wholesale system of swindling for another year; and the Frank merchants will suffer most. One fine morning he will declare himself a backrupt, rub his hands, will declare himself a backrupt arguitors to fight One fine morning he chuckle a little, and leave his creditors to ngu-couttheir differences. He will have no accounts. He will answer no questions, and there is no law to make him. He will acknowledge, indeed, that it is a bad business for somebudy; but, as far as be is concerned, he knows nothing at all about it, and washes his hands of the whole transaction. His papagetty belongs to his wife about it, and washes his hands of the whole transaction. His property belongs to his wife, an i though he has improved it with other people's money, nohody can touch it. By and by in some round-about way, the Greek moneylender will of course contrive to be paid, but nohody elso will. In a few years, or perhaps sooner, my friend will set up in the same line of lungings a gain, and line in the odor of sanctive in

business again, and live in the odor of sanctity until he gets into a scrape again; and then he will contrive to get out of it, in some equally feicitous and honest manner.

The fact is, there is no law in Turkey which The fact is, there is no law in Turkey which may not be evaded by an ingenious man. Some trumpery present will always scoure the suffrage of anybody where suffrage is worth scruving. For, the Aga, and Cadi, with all their conditions and train, live entirely by little jobs of this kind: without them they would not be what the suffrage of all. There is no gazette, no list was only to be a finished: without them they would not be able to live at all. There is no gazette, no list not be able to live at all. There is no gazette, no list of backrupts, no report of low proceedings, no gazette, no list not be all the state of the proceedings, no because it is not state of the state of the backshiders in the ranks. I wonder which the backshiders in the ranks. I wonder which will see that them in Court Convention, the backshiders in the ranks of the backshiders in the state of the backshiders in the ranks. I wonder which will see them in Court Convention, which will asked be at the Court House on the following with will asked belt them in Court House on the following with will asked belt them in Court House on the following with will asked belt them in Court House on the following with the state of the sold of the state of the sold of the state of the sold of t

Heraid. It seems to have been writer and manly spirit:

MR EDITOR—Sir: Excuse the great liberty we take in addressing you these lines, but as we have read in the Boston papers, the incorrect account of the burning of Nicaragus, we think it our duty, as American seamen, to represent the affair as it really took place. Our ship was sent to Nicsragua to obtain redress for the burnsent to Nicaragua to obtain reduces, and the ining of the Company's store houses, and the insults offere to our consul, who had a bottle

broken over his head.

Accordingly, as we understand, matters were offered to be amicably arranged, if they would agree to pay for the burning of the point, and twenty-four hours was given them to consider the strangers to remove twenty-four hours was given the to remove about it; also sending two steamers to remove the effects belonging to all foreign residents, (and, in fact, to any other persons or property.) over to the American side for safety. But it appears that the merchants of Greytown are nothing more than a set of rascally out-throats,

A destructive five control of the nothing more than a set of rasounty durantees, who sought only to lay hold of the passengers bound to and from California, and entice them to

It is said that we fixed red hot shot at others. of seamen and marines landed, under the command of our first licutenant, and proceeded to the guard-house, and, in the face of two or three hundred armed men, brought off three commenced public in the seamen brought off three commenced public in the seamen. besides all the small arms and ammunition we could find about the place, without their daring We could not knock wood and bamboo; therefore we induced a party of scamen and marines and burned the townsparing, however, a good many of the small lutts belonging to some of the poorer sort of the na tive Spanish people, who were pointed out to us tive Spanish people, who were pointed out to us the transfer of three columns from which the foregoing

DEATH OF THE KING OF SAXONY. bly detained from their seats."

A MILK WHITE CONSCIENCE.—The swill milk question is still agitated in New York. One milkman made a very candid avowal when examined before the Committee. "Some," he said, "he sold for four cents per quart some for siz, if people wanted cheap milk, he put in water." Six cents a quart for whitened water is rather a severe trainf, still some folks in that city think they have cause for thankfulness that they fire for their money. The swill milk poison is an abomination.

A PARTY OF VETERARS—A venerable matron of North Adams, Mass., aged 98 years, recently gave a tea party to her old friends. Among the guests were four ladies of the respective ages of 86, 82, 80 and 88. Six of the above party reside in one neighborhood of least than a mile senies. In the authorities of Burlington county know nothing of the "self confessed murderer."

A MILK WHITE CONSCIENCE.—The swill milk pous milk have for the Committee. "Some," he milk man made a very candid avowal when examined by fore of the United States five and some for siz, if people wanted cheap milk, he put in water." Six cents a quart for whitened water is rather a severe tariff, still some folks in that city think they have cause for them money. The swill milk poison is an abomination.

A PARTY OF VETERARS—A venerable matron of North Adams, Mass., aged 98 years, recently gave a tea party to her old friends. Among the guests were four ladies of the respective ages of 86, 82, 80 and 78, and three gentlemen seed 85, 80 and 88. Six of the above party reside in one neighborhood of least than a mile sender.

The Mass residence the authority of Saxony as overturned at Brennbushel, situated between Munich and Dresden, and that its Majesty, Frederick Augusties Majesty, Say, 1797. A serious insurerction having broken out at Dresden in September, the 18th of saxony was overturned at Brennbushel, situated between Munich and Dresden, a
