The storm that passed over the city yesterday for food; and distillation must be greatly reduced. In fact, the lovers of good liquors will curred in the West. It commenced about twelve new steamer, "New Memphis," lying at the lower city wharf, between Sixth and Seventh. bly rise still more rapidly as the effects of the was almost completely wrecked. The cabin, which was in a forward state of completion, was blown entirely off and fell into the river near Corn Island. The boat was also blown over to the boat. The new steamer W. W. Farmer, the Colbert, and one or two other boats, were blown from their moorings and lodged on the rocks opposite the foot of Fifth street. They all succeeded in getting off, however, without sustaining much injury. The splendid block of four story houses recently erected on the north side of Main street, between Eighth and Ninth, were completely destroyed, and it is thought that two or three men were buried in the ruins.

health.

MANUFACTURES vs. COMMERCE.—On our first page will be found an interesting and able article from the Louisville Journal, entitled "Philosophy"

The upper story of the extensive Rope and Bagging Factory of W. A. Richardson & Co., on Magazine streets, was blown down, and portions of it carried a distance of everal hundred yards. The new City School House, at the corner of Night and Magazine streets, was uproofed, and with the residence of the carried and distance of the extensive Rope and Bagging Factory of W. A. Richardson & Co., on Magazine streets, was blown down, and portions of the carried and the residual file. portions of the tin roofing carried to a distance

owned by A. Mckinley, was unroofed.
Another large house in the same neighborhood, owned by Ch. Samuel Churchill, was unroofed. The residence of Mr. Joseph Lilly, on Tenth st., between Magazine and Chestaut, was much injured; a portion of the back part of the building was blown down. Two brick cottages on Eleventh street, between Magazine and Broadway, were partially blown down. The back part of the German Protestant Orphan Asylum, on Jefferson street, between E-ghteenth and Ninecenth, was unroofed. Two small brick houses n Twentieth street, between Jefferson and Gravson, were unroofed; one belonged to Mr. Short, and the other to Mrs. Nugent. Mrs. Nugent was asleep in her house when the accident oc-

the falling of a piece of timber.

Many other houses were injured, which we have not space to specify this morning. Trees were uprooted in every part of the city, most of them below Sixth street. We have heard of various estimates of the probable amount of damisse done to property in the city by the storm.

age done to property in the city by the storm, uone of which fall short of \$100,000. We are informed that in Shippingsport and Portland, the storm was very light, and no damage of con-equence was sustained. There was a rumor in the city last night that a church in New Albany no reliable source. We understand that the storm was very severe in Jeffersonville, and that three or four bouses were blown down. The following Proclamation appears in th MAYOR'S OFFICE, Louisville papers:

ANTION OFFICE, ST. August 28th, 1834. In consequence of the awai calamity which has befall us, occasioned by the storm on yesterday, and which result in the death of many citizens, I have thought proper
