A STATE OF THE STA

fourteen in Boston. fourteen in Boston. will in their effects. The severest public calamities often produce some results beneficial to the community. So it may be with the present severe drought, and conse-quent short orops. It will occasion much suffer-to the characteristic and the sevents in the sevents in the sevents in the sevents of the sevents of the sevents of the sevents of the sevent sev quent short orops. It will occasion much suffer- no other reason than to he near her admiration ! quent short crops. It will occasion much suffer-ing perhaps; for the exorbitant prices of provi-sions will render it difficult for the poorer classes to obtain a sufficient supply of wholesome food. It is setimated that the deficiency in the crops bad such an inclination, some years sgo, to be to obtain a sufficient supply of wholesome food. It is setimated that the deficiency in the crops bad such an inclination. Some years sgo, to be the Duchess of Wellington? They both seem to there who were unwilling to bear him, and mani-there were unwilling to bear him, and mani-there who were unwilling to bear him, and mani-there were unwillin

this year, occasioned by the drought, will equal in value two hundred million dollars. It may yet prove, however, that the accounts of the bad condition of the corn, potatoes, garden veget-ables, &c., are considerably exaggerated. The deficiency may not be so great as has been gen-erally apprehended; but whatever it may be; able s, where a considerably the drought, will equal that be was not permitted to make his speech unnoisted Jas. K. Kerr for Congress, and Col. Wm. H. Lamber-ton for Assembly. The Convention adopted resolutions sustaining the National and State erally apprehended; but whatever it may be; the mange county on the convention adopted the subtractions denouncing Know-Nothingism, and shall publish the subtrace of it on Monday. this year, occasioned by the drought, will equal

ERIE RAILBOAD STOCK -- Under the combined | A BIG HAUL OF THE FANOT. The Philadel. Influence of hears, had management and a panic influence of hears, had management and a panic in the money, market, this "fanoy" has gone down more than one hundred per cent. in less than eighteen months. In the spring of 1858 it was selling at \$87 per share, now it is quoted at \$32 on the New York stock exchange. We be-pacers of Saturday mention another great influence of bears, bad management and a panic phia police are becoming exceedingly vigilant in
