DAILY MORNING POST.

SATURDAY MORNING ..... SEPTEMBER 9.

ADDRESS Of the State Central Committee.-No. 4. To the People of Pennsylvania: nistical principles and antagonistical parties in governments, from their first institution to the present time. The one, taking from the reople

It was these antagonistical princeles that lad

It was these antagonistical principles that led to our war of Independence. The great mass of the American people then asserted, distinctly and to manufacturing establishments.

Two Hundred acres of superior Stone Ceal, with House, nallroad, &c. This property has a from of 130 roots on the Monongahela river; an excellent landing; good grades and foundation for railroad—with enough level ground at energy of the state of the property of the state of the property of the state of the people. That they not only poseresed the state of the people of the property and unequivocally, that all power was inherent in the coal—the quality of which, for iron work, stamm, gas, or for any ordinary uses, is not surpassed by say in the total country.

In my sheeme, my agent, James Blakely, Eq., will give the dead for any property and JAMES MAY.

No 110 Penn street

No 110 Penn street

The Was these antagonistical principles that led to our war of Independence. The great mass of the American people then asserted, distinctly and unequivocally, that all power was inherent in the country, the capacity size to exercise the right. The British of that day, and their adherents in this country, decided this right as well as this capacity. Our fashers he right is well as the capacity of the property of
