Socialists both take their ideal of a free gov- to sanction such tyranny.

tleman. George honestly believed what he said Marshall P. Wilder, of Massachusetts, was elected President.

AN OLD PAPER.

Forty years ago the "Pittsburgh Mercury,"
was published in Pittsburgh by John M. Snowden, late Judge of our county court. No. 116,
vol. III., of the paper, was issued on the 14th

No. 2008. our possession yesterday. Its mechanical exe. Previous year. The exports amounted to \$45.-

Erie, addressed by Gen. Gaines to the Hon. John sireet, New York, on Wednesday, that one of the largest publishing houses in the city was about

Hood defines public sentiment as "the aver-

DEMOCRATIC ADDRESS.

TO THE PRERMEN OF ALLECHENY COUNTY:

The training of the could not have been more until and the particle couling of the rate, which could not have been more until and the particle couling of the rate, which could not have been more until read with the present this particle could be an arriving at the discussion of the while Contral Committee of Course Committee of Course Committee of Course Committee of Course Course Course to the discussion of the while Contral Committee of Course Course to the discussion of the while Contral Committee of Course Course to the discussion of the while Contral Committee of Course Course to the discussion of the while Course of the course of th thority we know not.) that Parke Godwin was the author. Mr. G. is a son-in-law of Wm. C. Bryant, lone of the editors of the New York Evening Post, and if we mistake not, is engaged as one

of the literary editors of that paper. He is a name of Know Nothings, with no other bond of earnest in maintaining its own good faith and the literary editors of that paper. He is a name of Know Nothings, with no other bond of earnest in maintaining its own good faith and the obligation of treaties.—Ledger. man of fine literary abilities, but ontside of that union than their hatred of certain classes of a radical. Our presuming that they were writ- their fellow-men, and an indiscriminate prescripten by Greeley was founded on the closing paraten by Greeley was founded on the closing paragraph, the author of which could only have
been a Free Sciler of the darkest dye. There is
another coincidence in principle between the
offices, honors and emoluments of the country;
hastens, and after death comes judgment! There white coated philosopher of the Tribune, and an! of proscribing every man who is too liberal, is something unspeakably appalling in this im this political writer for Putnam. They are both and too much a friend of constitutional freedom

Judga Shalen.—The Gasette is very busy in tonary heroes, they were born in other lands, have yet helps to fight our battles; to build our cities; level our forests, and build up a great our satisfaction; and that of his readers, we seemblisse apprise in these fourthers for the formula of th

September, 1814, and that number we had in 703,029, or about \$14,000,000 more than the dates as the ambitious leaders of this secret our possession yesterday. Its mechanical exc. Previous year. The exports amounted to \$45, order may select. No true Demograt can have cution, and the quality of the paper are not 432,780. The steamboat arrivals numbered quite equal to the present Post, its successor. It \$8,887, against 4,058 in 1853. WHO CAN IT BE !- It was rumored in Wall organization and action are so at variance with the whole scope and spirit of our republican in-

stitutions.
In regard to the Nebraska bill, we have only Armstrong, Secretary of that.

If we had space we would like to re-publish a to suspend. Their liabilities are said to be ention now remaining is, shall we acquiresce or retion now remaining is, shall we acquisese or re-sist? Shall we seek the repeal of the repealing clause of that law, or suffer the settlers in Kan-sas and Nebraska to shape their own local insti-tutions, and control their own local affairs, as did the early settlers of the older States?

It was in the midst of Hartford Convention times, and while Democratic editors were vin dicating American rights, and interests, and honor, Whig and Federal editors were clamoring for impunity for British insolence. Do not our readers see something of the kind now-a-days?

This old reason are the few days.

It was in the midst of Hartford Convention tended four months from the 16th September. Christian, the young man charged with kills Edward Everett declared it a question of 'no practical importance;' and many of the most influential-journals of the country-have expressed similar views. Where, then, is the cause for strife, or further agitation on the subject? Practical measures, and not abstractions, should be the issues for which freemen contend.

Kithmond, Va., who was cared by two bottles of Catter's was among the first to announce this belief. Bedward Everett declared it a question of 'no practical importance;'' and many of the most influential-journals of the country-have expressed similar views. Where, then, is the cause for strife, or further agitation on the subject? Practical measures, and not abstractions, should be the issues for which freemen contend.

wild Digeons are unusually abundant in the shoor, Whig and Federal colitors were classoring for impunity for British incolonce. Do not our readers see something of the kind now-days!

This old paper contains several accounts of the "Battle Bolow," meaning the battles on the subject. The contains several accounts of the "Battle Bolow," meaning the battles on the subject. The contains several accounts of the "Battle Bolow," meaning the battles on the subject of the "Battle Bolow," meaning the battles on the same shaped since the billish are shaped since the billish are shaped since the billish are shaped since the silicis have shaped since the billish are shaped since the billish are shaped since the billish are shaped since the silicish are shaped since the shaped since the silicish are shaped since the sh

be, a vindication and triumph of the vital prin-ciples of our free republican institutions. ROBERT B. GUTHRIB, Chairman.
