ired guarantees, but reiterates her assurances the principalities shall be evacuated." is unrivalled. THE BAILING OF THE ALLIED FLEETS FOR THE CRIMEA. The Times, in one of its leading articles, says:

here is every reason to believe that on Satur-, the 2d of September, the very day when Russian despatch arrived at Vienns, the expedition of the allied fleets and armies sailed from Varna for the Crimea. The French batterit on your which had long been expected, reach-ed the Bosphorus on the 21st of August, and, al-though the army had suffered materially from below the suffly merined one of the most ner-

sickness, it still remained one of the most pow erful hodies of men ever thrown upon the terri erial nonites of men ever thrown upon the terri-tories of an enemy. At the moment at which we write, we may entertain a reasonable hope that the fleet is approaching its destination, and that no long period will elapse before we learn with certainty that the expedition to Sebastopol

According to a telegraphic despatch from Vi-enna, the Lloyd states that Marshal St. Arnaud was to leave Constantinople on the 2d inst. to take the command of the allied expedition, which, by that time, would have arrived at its when the gallant gentlemen of that and adjaccut The cholers was abating in the armies an

fleets of the allies at Varna and elsewhere. OSTRIAN OCCUPATION OF THE PRINCIPALITIES The following telegraphic despatch, dated Vi

enna, September 1, has been published in the "Advices from Bucharest to the 29th ultimo state that Dervitch Pasha had arrived in that

state that Derivice Pasion and Arrived in that Arrived in the participation of the Sultan, stating that the Australy, which you will find in my in the name of the Sultan, stating that the Australy (Which you will find in my trians would provisionally occupy the principali-ties as the allies of the Ottoman Porte. All the former privileges of the principalities would be are invitationed all the arrive and the principalities of the principalities of the principalities of the principalities of the principalities are the principalities of the principalities of the principalities of the principalities are the principalities of the principalities of the principalities are the principalities of the pri maintained. All Austrian refugees to be expelled."

Almost the whole Ottoman army has entered Wallachia, and it is believed it will pursue the Russian army into Moldavia.

Chronicle and cf the Daily News were arrested by the Bucharest prefect of police, who misuan-derstood the order of Omer Pachs, to prevent their leaving the city. On discovering the mis-take they were liberated, but they insisted on a written apology from Omer-which it is needless to may they will not get.
