J. K. MOORHEADE, City of Pittsburgh, JOHN S. HAMILTON, South Pittsburgh, JOHN M. KIRKPATRICK, City of Pittsbur THOMAS M. CARROL, Wileseper, WILSON STEWART, Duquesne Borough. JOHN S. KENNEDY, City of Pittsburgh. J. HARVEY ROBB, St. Clair CLERK OF COURT, JOHN H. PHILLIPS, Robinson

COMMISSIONER, ELIJAH TROVILLU, City & Pitisburgh DANIEL WERTZ, Pitt Township. DIRECTORS OF THE POOR JAMES A GIRSON, Pine. EDWARD M'CORRLE, Indiana. ROBERT BAILEY, Manchester.

MORNING POST JOB OFFICE. We would call the attention of MERCHANTS AND BUSINESS MEN to the fact that we have just received from Philadelphia a number of fonts of new Job Type, anare now prepared to fill orders for Cards, Circulars, Bill Heids, Paper Books, Posters and Paper ids, Paper Bocks, Posters, and Programmes for exhibit tions. All orders will be promptly filled.

The absence of some of our compositor yesterday, from sickness and other causes must be an excuse for the short amount of reading matter in to-day's paper. Then the Sheriff's proclamation, which will be found in another column, occupied considerable of the time of the few hands we had left.

FAST DAY .- THE EPIDEMIC. Seldem has a day devoted to a similar purpose been more generally observed than last Thursday in our city. All work and business was suspended, and few sought recreation or amusement. We noticed very little intoxication. It was a day of rest to all, of fervent prayer to many. On that day, however, the disease swept off-quite a number of our citizens.

The people are now thoroughly awakened to the danger of neglecting the first symptoms of

at the covere, and the properts of the deaths at a contractly at they can be obtained. We believe as the covered as the propert of the deaths at a contractly at they can be obtained. We believe as the covered as the properts of the deaths at a contract of the covered as the properts of the deaths at the covered as the properts of the deaths at the covered as the properts of the deaths at the covered as the properts of the deaths at the covered as the properts of the deaths at the covered as the properts of the deaths at the covered as the properts of the deaths at the covered as the properts of the deaths at the covered as the properts of the deaths at the covered as the properts of the deaths at the covered as the properts of the deaths at the covered as the properts of the deaths at the covered as the properts of the deaths at the covered as the properts of the deaths at the covered as the properts of the death at the covered as the properts of the death at the covered as the covered as the properts of the death at the covered as the covered as the covered as the covered as the properts of the death at the covered as the cover diarrhea. We continue the reports of the deaths as ac-

We have heard that many poor persons are unable to obtain medicines and oas for want of means. Should not the Board of Health, and Ward Committees have orders at the drag stores to supply such with medicines and charge to the Board or Committees? There will be no difficulty in gotting the money to pay such bills. Coal, too, should be supplied to the poor. The nights are cold, and the sick need from you had urge to the Coancila to are the lives and the health or our citizens at each at time as this. In some of the Wards the Committees about the binerased in numbers so that every house energies for the words of the Wards of the words of the Wards of

Some of these persons may complain of individual Democrats, and individual acts of the party; but in the main its principles are right and just, and their only safety is in the ranks of that party. Let them have a care. Let them not, on the day of trial, and in the hour of battle, or the Western Powers this decision of the Court of St. Petersburg only gives an industry on the day of trial, and in the hour of battle, promitinde and vigor which our admirals have

sale of Dr. Bauning's Body Braco. Although no medical men ourselves, we think the principles lald down in the following rules are reason. Their own favorite project of page from the failure of levels of the principles and the principles and the principles are reason. Their own favorite project of page from the failure of levels of the principles are reason. able, and according to common sonse. Our readers can judge for themselves :

Prevention of Cholera.

To the Editor of the New York Tribune SIE: -At your invitation I submit a few sug-Six:—At your invitation I submit a few suggestions, based on settled principles; in the hope that they may aid the community to prevent and to arrest the first symptoms of cholera without a resort to uncertain medicines, by the application of a little common sense to some physical laws, which may exercise a great control over the vital susceptibilities of the bowels, which organs are admitted to be the scat of the disease I shall now barely assume a fundamental proposition, with their deductions, referring to what I have written elsewhere for a full discussion and elucidation of the subject.

She alone perceives a chance of arriving at a general understanding; and further, he urged, the understanding; and further, he urged, the understanding; and extract the understanding; and extract, he urged, all principles on which alone we believe it possible to set bounds to the horrors of war, which all underly principles on which alone we believe it possible to set bounds to the horrors of war, which all principles on which alone we believe it possible to set bounds to the horrors of war, which all principles on which alone we believe it possible to set bounds to the horrors of war, which alone we believe it possible to set bounds to the horrors of war, which alone we believe it possible to set bounds to the horrors of war, which all principles on which alone we believe it possible to set bounds to the horrors of war, which alone we believe it possible to set bounds to the horrors of war, which alone we believe it possible to set bounds to the horrors of war, which alone we believe it possible to set bounds to the horrors of war, which alone we believe it possible to set bounds to the horrors of war, which are principles on which alone we believe it possible to set bounds to the horrors of war, which alone we believe it possible to set bounds to the horrors of war, which alone we believe it possible to set bounds to the horrors of war, which alone we believe it possible to set bounds to the horrors of war, which alone w nd elucidation of the subject

of the several journals to twelve cents per week, instead of ten cents as heretofore.

Whio News.—After the Whige have expended a good deal of wind and boasting over the defeat of our party in Maine. It turns out that Morrill will lack a thousand votes of being elected by the people.

Which were as heretofore.

Mrs. Beecher Blowe, has been brought before the English public by "A First Hand," It whose letters in the Times, on the condition of the poor needle women, will not soon be forgotten. Mrs. Stowe, in the Sunny Memories, declares these letters are exaggerated, and gives data for which she asserts. "A First Hand" report of the Dress Makers' Association to disprove this statement. She says that while she The steamship Africa selled from New York for Europe on the 20th, taking out \$1,232,000

The New York Sun has imported paper from Parice, paying a duty of 30 per cent., and 3 per cent. more for freightage, and then getting a better and cheaper article than that made at home.

It is estimated that the rice planters of the quath have suffered a loss of \$3,000,000 by the statement of the content of the content

The Czar's Last Refusal

had been broken by their own suicidal acts.

Some of these persons may complain of indi-

pared to act with decision upon the failure of their own favorite project of paofication.

In transmitting these four propositions to Russia on the 10th of August, Count Buol declared that "it was in the sincere acceptance of these grounds, which Austria herself recognizes as the necessary conditions of a firm peace, that she alone perceives a chance of arriving at a general understanding;" and further, he urged "the unreserved acceptance of the fundamental principles on which alone we believe it possible to set hounds to the horrors of war, which will undoubtedly continue to increase." Even

It may be laid down as a fundamental law hat the bowels, with their great length, delicacy that the bowels, with their great length, delicacy which occur in the Prussian despatch; but, absurd as they must appear to all Europe, they without suspension from above; and that the sufficiency of that natural support is in just projection to the energy and efficiency of the abdening must be sufficiency of the abdening must be sufficient to the sufficiency of the abdening must be sufficient to the sufficiency and their sufficiency of the abdening must be sufficient to the sufficiency of the abdening must be sufficient to the sufficiency and their sufficiency of the abdening must be sufficient to the sufficiency and their suffi

well; but perhaps more might be done, and there is no doubt that the expenses they incur will be promptly met. Fear of imposition should not prevent prompt relief whenever called for.

\*\*The communication signed "Old Hickory" is from a good and staunch Democratic source, and cordially endorses the views of the Post in regard to the interests of the naturalized citizene.

All true friends of the constitution, and our present liberal laws, we are sure will agree with us also.

Advance in Cincinnati Newspapers. The publishers of the Enquirer, Times, Commercial, and Columbian, all daily papers of Cincinnati, have sgreed to advance their subscription prices of the several journals to twelve cents per week, instead of ten cents as heretofore.

\*\*Whio News.—After the Whigs have expended speed of a doad of wind and boasting over the design of the several good deal of wind and boasting over the designed women, will not soon be forgot.

\*\*Main there is no doubt that the expenses they incur will be poor needle women, will not soon be forgot.
