How much Sugar do we Eat! f the "Comic Natural History," should be in Last year there were consumed in this country

------

From the Philadelphia Ledger. The Kansas Seal.

English.

The second s

Last year there were consumed in this country shout 705,000,000 pounds of cane sugar and 27,-lin philadelphis, on Thursday, Sentember 25th, by the were than twenty four pounds of cane sugar and one pound of maple sugar to every man, woman and ohid. This does not include molasses or honeys If this sugar were put in harrels hold-the two line to be based open

pied the space of three square feet only, it would astoniabed and delighted at its wonderful energy and an require 35 acres of find for it to stand upon. The barrels, if placed in a row, would reach 220 miles. If this sugar was pat up in paper pack-ages of five pounds each, it would require 146.-Japhet C. Allen, of Amboy, gave a dose to achild Sysars

arges of five pounds each, it would a subscription of string was used to each package, there another dose to the same child, which prouges another dose to the same child, and the prouges another dose to the same child, and the prouges another dose to the same child, and the prouges another dose to the same child the dose, and prouges another dose to the same child the dose, and prouges another dose to the same child the dose, and prouges another dose to the same child the dose, and prouges another dose to the same child th futured pounds of sugar exch day, it would be quire nearly 26,000 cirks to sell it all in a year. If the dealers, wholesale and retail together, made a profit of only two cents a pound on this sugar, these profits alone would amount to near-ly \$15,000,000

Jonathan Houghman, of West Union, Park county, 1a, writes that he is unable to supply the demand, as the peo-ple in his neighborhood say, after a trial of the others, that none is equal to Dr. M'Lane's Vermifuge. Mears. D. & J. W. Colton, of Winebestar, 1a, happened last spring to get same of this Vermifuge. After selling a few bottles, the demand became so great for it that their stock was soon exhausted. They state that it has produced the bast effect wherever used, and is very popular among

Robert Lovett, of this city, has engraved the with two supporters, and surmounted by a soroll motto, and is emblematic of the life of the pio-neer and agriculturist. The lower compartment of the shield contains the buffalo and the hunter; 
 Purobasers will be carolit to ask for Dr. at Lance scale.

 Lrated Vermifuge, and take none else. All other Vermifuge, iso his Celebraied Liver Pilla, can now be had at all the respectable Drug Stores in the United States and Canada. Also for sale by the sole proprietors.
