Dr. J. C. Avra: Dear Sir—Over application for the past three years in my duties as an advocate, brought on some eight mouths ago a severe irritation of the bronchial tubes, which was a constant annoyance to me, and fast becoming a source of great apprehension. Every remely tried failed to even relieve me, till I used your OREMAT PATORAL. This has not only relieved me, but, as I trust, wholly cured me. I care nothing for the reputation of advocating Fatent Medicines, and this is at your service. I shall recommend it to members of the bar, and others whom I may meet, is boring under similar indispositions.

Dr. J. C. Avra: Six—I have used your admirable compound exclusively in my practice, and find it to surpass, by far any other remedy we have for curing diseases upon the lange.
