PITTSBURGH: WEDNESDAY MORNINGOCTOBER 11. On Monday morning, in the New York Criminal Court, a petition was presented to the Court from the jurers, sitting in the case of Dr. Graham, praying that the qualifications of the jurors be examined into, owing to the report that one of them was a relative of Mrs. Graham. The Court intimated that as the signatures of eleven were attached, the twelfth might sign if he pleased. The paper was then read by Mr. Wright, who returned it without his signature, when the matter was taken into considers by the Court. The petition asks for a discharge on the ground of an existing liability properly to perform the duty required. At the election, estates in Ohio, Indiana, and our own tiste there were fifty seven Congressmen to be shosen. No Governor, but other State officers, were voted for in the two former States. 4 The mortality in New York, Philadelphia and Boston will be found in the following table : Cholera. Other Dis. Total PENNSYLVANIA ELECTION. HARRIGBURG, Outober 10 .- Pollock, 333 majority-a great Whig gain. Westward, Pollock 163; Whig gain, 200. Northumberland Boris about 1,800. WESTMORELAND. Drum, 90. Govode, 64. Hempfield township -Bigler, 274; Pollock, 181. Mott, 370; Dar-8'4, 95. Black, 300; Smyser, 80. Baird, 91; Drum, 289. Covode, 197. Bigler's majority in the county reported at 700 RUCKS. In Doylestown Collock's majority is 11; Mott, (Dem.) for Canal Commissioner, 124 majority; Black, (Dem.) Judge of the Supreme Court, 85 majority in the borough is 40, and in Canton 61. Knight, whig candidate for Congress, has a majority of 1000. The whole of the whig ticket LEHIGH. The whole Democratic ticket is reported de feated. In 1851 Bigler had over 200 majority. majority is for the measure with a relation of the control of the

The second of the second of the second CINGURANT, October 10.-It is conceded by OFFICIAL VOTE AND MAJORITIES il parties that the American Reform ticket is sected by a large majority. Day and Harrison are both elected by large majorities; both being independent candidates, running against the nominees of the Miami tribe. CLEVELAND, October 10 -Edward Wade is s probably elected in the 19th Congressional listrict by 4,000 majority. The anti-Nebraska icker in Cleveland has 1,000 majority. ELECTION IN BALTIMORE.—To-day an election s held in Baltimore for Mayor. The Know othings have a candidate in the field and are Armstrong. very confident of success. That our readers may more easily comire the vote of 1851 with this election, we republish the official table of that year. Ontaining such portions of the Ois and New Testaments or form a Connected Narrative, in the Exact Words of Scripture, and 'n the order of the Scored Books. Of Ged's Dealings with Man, and Man's duties to God. Prepared by Mrs. Sarah J. Halo. Published by Lippincott, Grambo & Co., Phiadelphia. Bishop Potter says of this book : $\frac{142}{79}$ ongh, Pollock, 63 majority. Pollock's majority booksellers: No. 87 Wood street, Pittsburgh. majority. All these are Whig gains.

it is interesting, therefore, to know that, in addition to the peculiar flavor which first recommends it, the onion is romarkably nutritious. According to my analysis, the dried onion root contains from twenty-five to thirty per cent. of gluten. It ranks, in this respect, with the nutritious pea and the grain of the east. It is not merely as a relish, that the wayfaring Spannard eats his onion with his humble crust of bread, as he sits by the refreshing spring, it is because experience has long proved that, like the cheese of the English laborer, it helps to maintain his strength also, and adds, beyond its bulk would now be had at all respectable drue stores in the United of the English laborer, it helps to maintain his strength also, and adds, beyond its bulk would surgest to the amount, of nourishment which surgest to the amount, of nourishment which his simple useal supplies.—Chemistry of Com-

IMPORTANCE OF THE ONION. -The onion is wor- | As The Liver Pills -- The Liver Pills of Dr. M. IMPORTANCE OF THE ONION.—The enion is werthy of notice as an extensive article or consumption in this country. It is largely cultivated at home, and is imported, to the extent of seven or eight hundred tons a year, from Spain and Portugal. But it rises in importance when we consider that in these latter countries it forms one of the common and universal supports of life. It is interesting, therefore, to know that, in addition to the nequiliar that which first resumdition to the peculiar flavor which first recommends, it, the onion is remarkably nutritious.

According to my analysis, the dried onion root contains from twenty-five to thirty nor cast.

> Also for sale by the sole proprietors, FLEMING BROS., Successors to J. Kidd & Co., 60 Wood street Eg Prof. Morse's Invigorating Elixir and Cordial.—The public, often deceived, has exer-cised commendable caution in testing the merits of this preparation, before giving it their patronage and confidence. But its wonderful and unparalleled effect in nervous dis

whiteset, in the winds of Arabia, the restorative and life-prolonging tendency of the plant of which this Elixir is an extract, he knew full well that a medicine prepared from it nust in due time vanqui h all prejudice and opposition,

recommends it to all. sep16:34-7 E. GRIBBLE,

But its wonderful and unparameters and influences over all irregularities of the sacretive organs, have swept away all doubt from the minds of the community, and given it a currency and a celebrity not only among the sick and suffering, but among the faculty themselves, never before attained by any advertised medicine. When Dr. Morse witness d, in the wilds of Arabia, the restorative and life-induced the standard of the plant of which this Klikir is an

north due time varieties of the projudice and opposition, and become the leading remedy for a large class of complaints, both seuto and chronic. His expectations are realized. A correspondence, embracing nearly six thousand latters, attests its almost mire galous curses of nervous est, dy-p-pio, defence, of the stomend, beltify, in grain, to trop of the flort, pulpitation of the heart, mental depression, barrotness, physical incompactory, headache hypothomolarisds, pains in the back, intermittent fover, tenude disorders, languor, dulmess of sight, and that wis incrite which belongs to all the types of indigestion.
