half the amount given by Texas to the southers roll, would form a basis of capital that would call forth the wealth of the North for the early didertaking of this great enterprise of the age windertaking of this great enterprise of the age world, the aid will be afforded to the enterprise? What aid will be afforded to the enterprise? What aid will be afforded to the enterprise? It is conceded by all that it is an undertaking national in its character; important to the government as a military road and post route; and necessary to the defence of our Pacific possessions in case of war. That the government can constitutionally aid such an undertaking is denied by but few. That it should grant libers!

[From the Montreal Herald of Satarday.]

Only article that can be implicitly relied on for the expulsion of Worms.

BRIFFOL N. H., June 9, 1853. cond, for his dog to jump in for and fetch out, inadvertently plunged in himself, and came insduertently plunged in himself, and came swimming to the shore with the stick between his teeth, to the great amusement of the specta-Sonly article that can be implicitly relied on for the expulsion of Worms.

RESPONDED TO THE PROPERTY OF THE P

SAYS OF DR M'LANE'S CELEBRATED VERMIFUGE.
NEW YORK, May 16, 1853. A child of mine showing symptoms of worms, I gave it a bottle of Dr. M'Lane's Celebrated Vermifuge, which brough away a bunch of worms, numbering, I should judge, abou thirty. The child was very sick during the operation, bu in now well and hearty.

Mrs. Twist, No. 18 Avenue D, writes under date of August 10, 1852, and says she had been troubled with worms for more than a year, and that she took one bottle of Dr. M'Lane's Cabbrated Verm'(ugs, which brought away from her over three hundred worms, big and little. She now
