1.

FRIDAY MORNING

Courty Pain .- THIRD DAY .- The attendance at the Fair Grounds yesterday, exceeded in numbers, any thing ever witnessed here before. From the opening of the gates in the morning, until their closing in the evening, a never cessing flow of human beings was kept up to and from the TELEGRAPHIC. exhibition. All kinds of available conveyances were brought into requisition, and all were filled By the O'Reilly Lines for the Morning Post to overflowing. The Excelsior Omnibus Com-

pany- ran a double line of Qualibuses the whole day, and the number of people carried by them Further by the Ningara. Nuw You, October 25-Larser-A depatch was pub-lished, dated 21: Potentoury, 11th, stating that there was pothing fresh bairs of the state of the state of the rotained his old poelion at old the state of the state of the name of the state of the state of the state of the Parts, Friday -Frivate takes, north the state of the Regian on the 60th, the skeys works on a state of the Regian on the 60th, the skeys works in a few usy. A depatch, dated Marrid 10th, ways that the election were proceeding quietly with advantage to the Frequestion ins. could not fall much under 8,000. A train of twelve cars started every half hour from the Depot of the Pennsylvania Bailrdad, on Liberty street; and each time every car was filled to its utmost capacity. At least fifteen thousand people must have visited the exhibi-LIVERPOOL, Saturday, noon.-Cotton unchanged. Bren tion by this mode of conveyance alone. If to

ACCONTRACTOR

Bome slanderers are disposed to may that Pitts-burgh girls are better known for their virtues that their beauty; but if these caluministors had been present yesterday; they would come to the conclusion that our city can turn out both the handomest are disposed to country. For obtaining anything like a view of the pro-minent objects of the Fair, not manh opportuni-ty was offered yesterday; and we heard a cambers growing at being forced away by the pressure of the crowd, irom articles which they were ra-ther slow in examining. At the race course, in particular, the incom-venience of such a large turn-out was felt more that spot the centre of attraction for early mong, and a tremendous crowd was gathered that spot the centre of attraction for early mong, and a tremendous crowd was gathered these latter kind, we cannot erely on the ground, stod the samelard, like a terrace. No one except these who came early on the ground stod the scaling, were one of these latter kind, we cannot speak as fully of the solow is do the early on the ground, stod the earlied with five or six ing if rows, one above another, like a terrace. No one except these who came early on the ground, stod the earlightion are we would de-sire. . We observed among the compeditors, several hading by fully give a sto for house and for a the solution of the excelled with five or six ing if rows, one above another, like a terrace. No one except these who came early on the ground, stod the exailed to anoe of seeing the racing; and as we, unfortunately, were one of these latter kind, we cannot speak as fully of the portion of the exhibition as we would de-sire. . We observed among the compeditors, several hading belonging to this jot, but the majority of the bording in the part of the angle the spectra and remarkably pleas at. . We observed among the compeditors, several hading belonging to this jot, but the majority of

We observed among the competitors, several We observed among the competitors, several ladies belonging to this city, but the majority of them were from the country. Miss Ellen Lynch, wetworeland, excited great admiration from the skill and dezterity she exhibited in driving. She handled the "ribbong" with a grace at 15 3 (16) 10 of grout and prime red, and 19 (6325 for white. of Westmoreland, excited great admiration from the skill and desterity she exhibited in driving. She handled the "ribbons" with a grace with a grace which would have done hapor to the most prac tised driver. Her exhibition of horsewoman ship also astonished and pleased every beholder.

She executed several of the most daring feats with an ease seldom surpassed even by profes-sional riders. A young lady from New Castle, maned Miss Patton, likewise came in for a fail abare of approbation for her superior manner of managing the reins. Several very exciting races came off between these two ladies. hear to it, if not directly across it. The Millstown creek frum threach it. ALS, Subarres in Fik county, well timbersal and watered, and lying near the route of the Snubury and Krie railroad. No batter investment could bo made than in these lands. The coupletion of the Snubury and Krie, the Allegheny Valley, and the Vueango railroads through that region will renduc the coal, dunbar, iron ours and soil. of great value. Enquire of Altoropy st Law, The only lady from this city, whom we ob-

served contending for the prize for skilful driv-ing, was Mrs. John Danvers. She drove a fast horse, in a buggy, with great spirit and deter-mination, and elicited many bursts of applause from the american from the spectators. Mrs. Mary Bentley, of Monongahela City, was
