It is on the interior traders that our city merchants most rely for help to carry them through the trying "three days" now upon us. A good deal of disappointment, however, is feared this year. Under the general people of the states of the states of the states of the currency, there are many who will avail themselves of it to procreatinate payment, many of whom, with a will said all title effort, might comply with their obligations. Those of our city, many of whom, with a will said all title effort, might comply with their obligations. Those of our city merchants. New week may hope for title effort, which will tend to increase the street supply of menery, when it is hoped easier rates may fullow.
