wards, and took off the old man and his wife. This was the opening some of James Fielding's sufferings, want, pestilence, and death. His wife and himself were soon afterwards both seized with the disorder, and, though they recovered slowly, it was only to find their father and mother, and first-born child, removed from their once comfortable home to the church yard, and they themselves with feeble bodies and accomplated debts, which had run on wildly duoundlated debts, which had run on wildly during sickness. First, James was put into jail for the doctor's bill, and then the landlord disned for rent, and turned them on the world; and so they were ruined.

and so they were runeu.

To be in prison, never serves a man; he gets a babit of shifting and shuffling, and leaning, and talking, and idling; he has the short handn-the pocket walk, and the hang down look of in the pocket walk, and the ever a man again.

James Fielding came out of Stafford jail a
changed character: more clever and less capable of work—daintier, but not so refined prouder, but not more honorable; the edge was taken from the mind and given to the appetite; nevertheless, he was a fond father, for he shortly nevertheless, he was a lond latter, bushand to became one again, and a loving bushand to wife who deated on him. But a thoroughl a thoroughly man soldom rights himself, and bank fallon man soldom rights himself, and bank-ruptoy is a break up for life in the acoustitution of successful industry. James Fielding labored, but his toil was thriftless; he found friends, but, one way or other, he let in everybady who had anything to do with him. By degrees, he got, as was natural, a very bad character, and, as is generally the case under such circumstances, without altogether deserving it. He was an unfortunate, but not an evil unan; and was all know how falling bodies quicken in their gold, for containing the blessed sucrament, was
