In so hard a year on business men as this dent; or a minute of delay from any cause. has been, it is a little surprising that such a Yet enormous freight trains are in eight every panic should pass off so harmlessly in our city. few minutes. So complete are the running ar-

> than in almost any other city. Yet with all these are in successful operation. Fisher, Anderson & Co's steam power paper mill, makes a large amount of good paper. It is Pittsburgh capitel, skill and enterprise that has started it; and in fact Canton and Stark county are largely in debted to Pennsylvania for their population, er

> > 200,000 natives of Pennsylvania settled in Ohio; and in no agricultural county of that State probably will more of them be found than it "Old Stark." EUROPEAN CROPS AND PRICES. The lat of October was observed in England as a duy of Thanksgiving for abundant crops. So abundant did the crops appear that at that time wheat had fallen from 80 shillings to 53

shillings per quarter. Consumers were delighted with the prospects of abundance of food at ed with the prospects of abundance of lood at low prices. But, to the surprise of all, since then the price has run up again to the former famine price of 80 shillings. The London Times (wife,) do; Hannah Albin, (Jos. Albin's sister.) attributes this surprising change to the failure o import, under the impression that the home crops would supply the demand. No doubt the Albin, Morgan Co., Ohio: Sarah Albin, (wife.) the failure of crops of corn, &c., in this capacity had samathing to do with it also.

Colbert, Quincy, 191; Solomon Burr, Fon du crops would supply the demand. No doubt the this country had something to do with it also. The eastern war, too, has devastated some of the rich regions of the east from which large supplies are usually drawn. Such are the principal auses named by the Times, and it adds :

To a wast part of the people high prices are famine, for infrinceme changes little, and they are under the necessi-of bringing all their expenses within that narrow limit actions it then, that we are once more on the verse of gen-

Boston, November 13 —The heavy uninter-rupted rain storm of fifty-six hours' duration still continues.

The Know Nothings have carried every city officer. Gardner, Know Nothing, for Governor, had 7,796; Washburn, Whig, 4,183; Bishop, Democrat, 1,212; Wilson, Bepublican, 890. The returns from nearly all the chief towns are of one complexion, viz: a Know Not majority. Boaton elects 44 Know Nothing Representatives, and 6 Senstors, with a full ticket. Lowell elects 10 Representatives. Lawrence gives Gardner 1,125, and all the others 812.

Arrival from Bremen-Loss of the Vessel. New York, November 18.—The New Era, from Bremen, with 860 passengers, went ashore in a thick fog, off Deal, Jersey shore, last night. She kinds. Office: No. 99 Water street.
