time I was ever in such a pickle-never did I before appear before a jury of my country. This Mr. Dodder has brought me here, and I manent custom of all the States of the Union ; This Mr. Dodder has brought me here, and manent custom of all the States of the Union; have to appeal to you, not knowing whether you are Woolly Heads, Silver Greys, Hard Shells or Soft Shells. Yet I think this Dodder will find barder to barder was Thanksgiving Day in the barder to barder the Union; out before I am through that I am a harder British empire.

gentlemen, that I am in the emthan he imagined. You know, gentiemen, that i am in the car-ploy of the Mongaup Valley, Forrestburg and Point Jervis Plankroad Company, as a gate-to its universal adoption in the States of the keeper. This company it seems had conditence Union; and it may yet become a custom of all keeper. In company is seen and connection in my integrity and honesty to place me in that important station, and even if I should receive \$3,000 and steal \$1,600 out of it, that's between christian nations. It is a public acknowledgement of dependence upon a kind Providence ment of dependence upon a line for the bounties and ment of dependence upon a line for the bounties and and a token of gratitude for the bounties and business. Now, when the company seat me up along this road to collect tolls, this Dodder was one of the inhabitants I found there in the woods, and I will say for him that he is a very fair argentiemen of the rest of the population. But

many disasters on sea and land have occurred, specimen of the rest of the populati spectmen of the rest of the permission appreciate there isn't any of them that seem to appreciate all the benefits of this plankroad. all the benefits of this plankroad. It let out to civilization a class of people who never before had the idea there was such a thing The English people have observed a day of

as civilized live, and this Dodder is one of them. It is a fact that soon after I moved up there, a It is a fact that soon after I moved up there, a young woman, sixteen years old, our down out of the mountains on the plank road one day, of the mountains on the plank road one day, and she had never been out before. She fairly been sacrificed; and by which their taxes, here-be revived by law in this country is simply an insed to see a white man, and after asking a few questions went back into the woods. This Dolder was my nearest neighbor, and a good deal nearer than I wanted him, and and a good deal nearer than a wanted him, and it interests to become the most brooty and the hadn't been there long before I heard that he ritle in the sinals of Europe. To that conflict, about me to one of the directors, and out that he wanted to get his sworn sgainst me, in my place. lish nation, already over-burdened with debt, is had been lying about me to one of the dire and I soon fou son, who has sworn against me, in my place. But he hasn't done it yet, and if you don't conmay well be thankful for their exemption from

vict me, I reckon he won't very soon. It won't take long to dispose of Dodder No. 2. He testifies that he saw me throw three stones the perils and disasters of that wide-spread and He testifies that he saw me throw three stones at his father, and saw "the old man dodge." On cross-examination be says that he was in his own house in the woods, and had to look over a hill twenty feet high, and also over three slab fruits of our national industry. While half the fruits of our national industry. While half the the truth, all I wish is that I had young Dod. The truth all I wish is that I had young Dod. der's eyes. He is certainly a remarkable boy, it is of war, we can pursue the arts of peace and can't deny his "father." is "with none to molest or make us afraid." The investigate the causes, with a view to some legis-throwing stores at looder, and lapologize to all the world, and this county particularly for it. does of our growth and prosperity, may occasion-the doctors tell us there are two causes for all offererit's threadened of the solution of the s the world, and this county particularly, by an all sly excite apprehendion that a resort to arms The doctors tell us there are two causes for all ally excite apprehendion that a resort to arms I will be forced upon us. But speedy reparation The doctors tell us there are two excitability. I will be forced upon us. But speedy reparation, think it was the latter cause that moved me to as in a recent and notable instance, generally stone Dodder. I therefore confess myself guilty of the as-follows. Americans may well be thankful for that un-sault, tut the battery I deny and if yan find me guilty of the battery, I will appeal from the decision to the Court of high Heaven itself, be-been blessed for many years. Its territory has Dodder decision to the bound to it. Now, gentlemen, you saw Mr. Dodder and heard him swear upon me. I asked him a great many questions, and I was corry to hear him an-gwer as he did. I might have asked him for the didn't questions—I might have asked him if he didn't vancement. From an humble condition of coloquestions-1 might have asked nim in bound kill my cat, and if he didn't stone my chickens, because they trespassed in his woods, where actually the rocks are so thick that the cate can't because they the because them. but then I scitually the rocks are so thick that the tast one is century, our own own of the world; and yet scarce find their candles were thrown away, and the find their candles were thrown away, and freest nations of the world; and yet scarce find their candles were thrown away, and the key and freest nations of the world; and yet scarce find their candles were thrown away, and the key and freest nations of the world; and yet scarce find their candles were thrown away, and the key and freest nations of the world; and yet scarce find their candles were thrown away, and the key and freest nations of the world; and yet scarce find their candles were thrown away, and the key and freest nations of the world; and yet scarce find the Maximas are langhing at them. We shall to bear him. He admits that he was driving my brought under full cultivation. Its future is as a net hear of an illumination at Canton, China, the course of the net hear of an illumination at Canton, China, the course of the net hear of the net hear of an illumination at Canton, China, the course of the net hear of the net hear of the net hear of an illumination at Canton, China, the course of the net hear of th to hear him. He same that he was struck at brought under full cultivation. Its future is as next hear of an ill three cows up the road, and that he struck at brought under full cultivation. Its future is as next hear of an ill of hope and promise as its past has been of in Australia, &c. 'em but says it was with a small switch. I have proved that this switch was a pole about ten feet long, and about two inches across the butt end, and I have also proved that when he struck, the man fill this term was inches couldn't struck the and I have also proven that when he struch, the cow fell. It is true my witness couldn't swear that the stick hit her, he was so far off, but take hit bestick hit her, he was so far off, but take that the stick hit her, he was so far off, but take the blow and the fall together and we can guess the rest. If you, gentieman, should see the flash and hear the report, and at the same time see the man drop, I think you would say that I shot him, although you might not see the ball article bir. giving well becomes a christian nation so highly ters. Yet many of the evils that have occasioned alarm and gloom may prove blessings in the end. strike him. Now the fact is, gentlemen, that on Sunday, I strike him. Now the fact is, gentlemen, that on Sunday, I was lying on my lounge in my house, when my wife said that Dodder was chasing my cows. I jumped up and pulled on my boots and went out of doors, and saw Dodder and the cows coming up the road. It is true he says he wasn't driv ing them, but says he and the cows were both going slong the road in one direction, and this was as near as I could get him to the cows were going along abead of him, and he was following after them, striking at them with his little switch, ten feet long and two inches across the butt, and I reckon you'll think he was "driv-ing". them. I sung out to him: "Dodder, ing in the mean the say for and ling If boundless prosperity heretofore had engendered pride and boundless extravagance, a year trenchment. But while short crops may produce high prices of food, and occasion much distress to the poor there is yet enough food in the country for the construction of sit, and money enough in the contents are as interesting as usual; and it is enterprises from permanent embarrasment. them. I sung out to him: "Dodder " but he didn't mind my order and I just Few nations can say as much this year. Abun dant as the English crops were at first supposed stop !" but he dian't mind my order shu 1 just throw a stone in that direction, which went about fifteen feet over his head, at the same time going toward him. He paid no stiention and I sung out again " Dodder stop!" Still he didn't mind me, and then I just threw another didn't mind me, and then I just threw another to be, their journals report what they call "famine prices" for food. While this country has the most melancholy accidents that has occurred known no famine, it has often fed the starving for months, and there are many within that people of other lands, and even this year it may time. The New York Herald of the 18th conaton t minu me, and the A year the and I people of other lands, and even this year it may time. The New York *Herald* of the 18th con-stone; but on he came, and on I went, and I people of other lands, and even this year it may time. The New York *Herald* of the 18th con-threw the third stone, which he says hit him on have some food to spare. At any rate, none in tains a list of one hundred and forty-two bodies; the back of the neck, but which I think is rath-this country need suffer for food, if the rich and found and buried, with such a description of this country need suffer for food, if the rich and found and buried, with such a description of the back of the neck, but which I time is fall er strange, as we were going towards each oth-er as fast as we could go. But he never slacked up, and by this time were within about eight feet of each other. I halted and halled at the top of my voice: "Dodder, why in h-1 don't you stop!" About then he did stop and raised his halten at me and the state of the strange out; "About the he did stop and raised his hations are involved; in a sufficient supply of "About the state of the strange out;" About the state of the strange out; "About the state of the strange out; "About the state of the strange out;" About the state of the strange out; "About the state of the strange out;" About the state of the strange out; "About the state of the strange out;" About the state of the strange out; "About the strange out; "About the state of the strange out;" About the strange out; "About the strange out; "About the strange out;" About the strange out;" About the strange out; "About the strange out;" About the strange out;" About the strange out; "About the strange out;" About the strang t we have cause for theneruiness this year, then, in our happy exemption from the evils of the disastrose conflicts in which so many other the disastrose disastrose conflicts in which so many other the disastrose conflicts in the disastrose stop !" About then he did stop and tang out : ten foot switch as if to strike me. I sang out : " Mr. Dodder, look out! You may wollap my " Mr. Dodder, look out! You may wollup my cows, but if you wollup me with that switch, you'll wollup an animal that'll hook!" [Here the orator made an appropriate gesture of the head, as in the set of hooking, which was fol-head, as in the set of hooking, which was folments of our financial and business interests may be but temporary, and soon give place to But there is one duty to be performed on, tives of the lost will ever receive. It is supposed all our accustomsd prosperity. lowed with tumultuous shouts and laughter, lowed with tumuittons should shu hadden, that continued several minutes.] Now, gentiemen, if you ocnvict me, this court can fine me \$250 and jag me for six months, and if you really think I ought to be convicted of this asseault, say so, for I am in favor of living wheth is customary on that day to make collections in up, will make two hundred and fifty deaths by all the churches for the relief of the poor. None this shipwreck. this assault, say so, for i am in tavor of living up to the laws, as long as they are laws, wheth-er it is the fogitive slave law, the Nebraska bill, or the excise laws. I will read you a little law, however, which I have just seen in a book I found here—(the speaker picked up a law book and read as follows:)—"Every man has a right to defend himself from personal violence." Now I don't know whether that is a law or not, but I for the law how for the view members of the who can spare it will have cause to regret the loss of a dollar, or five or ten, devoted to such a benevolent purpose. THE GAZETTE AND ITS CLIENT. THE GAZETTE AND ITS CLIENT. Louis Napoleon has played a shabby trick on his organ in Pittsburgh. He ordered Mr. Soule out of France. The Gazett and its Washington correspondent fell to work at once to prove that t the Emperor had done right. Just about the t time they had got the case much out to their own satisfaction and nobody's else, the Emperor him. Sa ind it in a law book, [a veteran member of the bar who was sitting near the speaker, remarked to him that it was a goed law.] Weil, gentlemen, here is an old man who looks as if he might know something, and says 'tis good law. Now know something, and says 'tis good law. Now if you will turn to Barbour something, page 399, you'll find that the same dostrine is applied to oattle--[great laughter.] Therefore I take it I had a right to defend my cows sagainst Dodder's ten foot switch. Why, gentlemen, nearly all my wealth is invested in them three oows, and you en't wonder that I became a little skildt when self comes out and acknowledges he was wrong. wonder that I became a little excited when can't wonder that I became a nite excited when I saw Dodder switching them with this ten foot oner, he was not, and could not be guilty. Af-ter he had got through, and pledged his person-al reputation for the innocence of his client, the prisoner took a notion that by acknowledging his guilt he would get a lighter sentence; so he jumped up and admitted that he stole the pig. The lawyer left in a hurry. So with the Gazstte. After proving his client --the Emperor-right in his conduct towards our Minister, the Emperor acknowledges he was I saw Dodder switching them with this ten foot pole. I am a poor man and have a large family, consisting of a wife and six children, which I reckon is doing very well for so small a man as I am, and I could not afford to let Dodder kill Is my and I could not many my first service of the se
