closed for two hundred years-the more are we twenty additional cavalry regiments for the convinced that it is not much of a bivalve after present war, viz :- By confiscating the revenues all. We are led to this conclusion by reading a wasted on bishops, deans and chapters. letter from an officer on board the U.S. steam Mr. Rush R. Sloane, the young lawyer in San-

frigate Susquehauns, which rerently touched at dusky, who was mulcted in \$6,000 under the Simoda, (one of the two ports opened for trade) Fugitive Slave Law, at Columbus, some weeks on her way from Heng Kong to the Sandwich | since, has paid the amount. An attempt is be Islands. Hear him give a description of the ing made to get up a subscription to refund him harbor of Simoda-which was represented by the money. the Japanese to be so capacious, when treating KANSAS.

with Commodore Perry : It is said that Gov. Reeder, of Kansas, will "It is merely an indention, of no very great rsfuse to give a certificate of election to the deleextent, of the coast of Niphen. There is not room for half a dozen vessels to lie in safety. gates just chosen to represent that Territory in gates just chosen to represent that Territory in Congress, because of the illegality of votes. A large party from Missouri having entered Kan-large party from Missouri having entered Kan-It has an open exposure to the southward westward; and its facilities as a coal depot westward; and its facilities as a coal depot fi steamers from China to California are said to l large party from Missouri having entered Kansas on election day, to secure the choice of a and sickness,) and, while England has ver sas on election day, to secure the choice of a pro-slavery candidate. This invasion outnum-bered the resident citizens of Kansas. The call inferior to the Bonin Islands. It is, howeve one of the most picturesque spots in the wor Hills rise on all sides, with intervening valle stretching to the water's edge, and here and there a rock rears itself upon a salient point, or upon him to appoint an immediate election of delegates to the State Legislature has been redirectly from the bay. On some of these rock small white cottages cling to the sides, shade, by the foliage of overhanging trees. The town of Simoula is situated on a cruel emptying into the harbor. The streets are wide fased, and the election postponed till spring. The Governor says the memorial was not signed

by citizens of Kansas, but those of Missouri. The Governor says : and the houses generally of one story. These are divided into rooms by what a sailor would "The pledges of the law must be redeemed alkhead that is, the house may and it were a poor, a pitless boon to have es-but one large apartment, and it were a poor, a pitless boon to have es-are only to pass under the hands of another set call a shifting bulkhead-that is, the house i e composed partitions can be put up throwing it into a num partitions can be put up throwing it into a num-ber of small chambers, so that the inside of the same house will present a very different appear-mot appear well calculated, upon the whole, for a place of trade, and it can never become an ac-tive commercial town. Neither is it a manu-tor appear with a scatter what appear with all the accumulated conveniences same house will present a very different appear-ince in the day time and at night. Simoda does not appear well calculated, upon the whole, for facturing town, as it was represented to be by the Japanese while negotiating with Commo-dore Perry."

How gratifying it will be for our skippers How gratifying it will be for our skippers when they go on a swopping expedition to the Japanese, to find that if Simoda is not good for such business, it is at least grandly "Piccinity of Pittsburgh is famous for its grandeur and its beauty. Nothing finer can be conceived than the bold elevation, commonly known as Coal Hill, or the splendid surrounding view to the following letter that the State Treasury is, part of Europe, from 350,000 to 500,000 men be obtained from that eminence ; and it is equal- at the present ' me, abundantly supplied with ly notorious that it never looked more "pic- funds: turesque" than during the past six months,

Is want or water, and the upgers are autously awaiting the coming rains. A despatch from Michigan City says that great excitement prevailed, in consequence of an extensive discovery of the precious metal in Dutch Gulee. The pans averaged \$20 in gold The Fall (1) of Sebastopol. When the news reached San Francisco that e allies had taken Sebastopol, a salute was

fired from the British and French war lying in San Francisco bay in honor of the event. One week after, intelligence arrived that the announcement of the success of the allies was a hoar, and that Sebastopol had n This is apparently a large force, but it will be yet fallen before the beseiging armies. It was a that a little more than 60,000 British sol, then Mr. Kostromitinoff's, the Russian Concuits diers are sotually to be found in Great Britain turn to show some signs of religing a dia. turn to show some signs of rejoicing, and acand Ireland, and these are so necessary for the preservation of the internal pence of these Islands that very few could be detached from them. Therefore, when war was inevitable, cordingly be made preparations for giving an extertainment and firing a grand salute, which is thus noticed by the San Francisco Herald of

means were taken to increase the army and pu-it upon a war-footing. For this purpose the militia, (which had long been shelved,) was re-or the salute on board the Zenobia in h nor of be affair of Petropaulowski, and in joyful ro-the affair of Petropaulowski, and in joyful ro-or dite affair of Petropaulowski, and seven and saluted with twenty-one guns, and seven regular solution, showed the latter to be de-tashed upon forcign service. Parliament also consented to the augmentation of the standing army. Troops were called in from Colonial dury. Some of the regiments quartered in Ireland have been removed, and the defences of that were afterwards fired as a mark of respect to inoff, on his de to the Consul, Mr. Kosti parture from the vessel. A collation was spread on blard, a number of toasts were drunk, and untry were exclusively entrusted to the arm of Police which overruns it. The result is th the festivities passed off with great eclat. The Zenobia is an American ship, sailing under American colors, and commanded by an Amerian Captain."

Utah. We have Utah news to October 12. A Gener-al Conference of the Saints was held in the Tab-structle, Great Sait, Lake City, which commended u the 6th of October, and was continued for pwards of a week. A great deal of church The regular peace enablishment here is ver iness was done, interspersed with prayer, ad-

The News saysBrigham Young took up the business of the Conference, and asked the conreat, with enormous power of augmentation h means of Consoription. It may be estimat pregation if they were satisfied with him as pregident of the Church of Jesus Christ of Lat-ter Day Saints, if ao, to signify it by raising their right hunds, which was done unanimeusly t

This is the regular peace establishment. Into its the regular perior estaoneement. A great portion of this immetuse force is quartered in Africa. A large portion is scattered over all France, for the maintenance of "order." Since affairs assumed a warlike expect, Louis Napoleon Brigham nominated himself for only two potions, but those two were the only ones involving the bandling of the cash. They were, Trus-tee in trust for the Church of Jesus Christ of Latter Day Saints, and President of the Perpet has gradually added 100,000 to his army. It i nal Emigrating Fund to gather the poor. It sepected that he intends a king his obsequious Senate to sanction the levy of 200,000 more, without delay. This would raise his military was, of course, confirmed, nem con. Lois Montes and an Editor -- A Fight ---No Prize.

strength, actually available for services in the field, to about 350,000 men at arms. And there is this advantage to him, that two thirds of the conscripts are not merely the raw material out of which roldices are to be made. The cidrant Vetime 1
