old law, which were omitted in the new, were the sub-district, the endowment, and sectarian arose between the committees and directors; and the latter, because in manifest hostility to the can be given to them by the Legislature, consist-true intent of the common school system. There ently with the condition of the Treasury or our made her an attractive field for the science, inprovisions, which seemed to contemplate a separate school establishment, under sectarian particular school establishment, under sectarian particular school directors, were originally engrafted up to school directors, were originally engrafted up enacted in 1849. They were very properly stricken from the system by the law of last seasion. Should efforts be made in the future, at similar innovations, come whence they may, it is hoped they may be promptly rejected. The sys al, must be simple and uniform

A new feature in the system, adopted in the bills and special legislation, is an improvement

for this reason, in addition to the absence of fair compensation, has not been attractive. Indeed, it has scarcely been regarded as a profession at all, but rather as a preliminary step to some other pursuit. Well directed efforts have recentother pursuit. Well directed efforts have recent ly been made to change the general sentiment of this point, and I rejoice in the belief that these have not been in vain; and that the day is no distant when the profession of teacher wil be equal to the aspirations of the most ambi-tions of our people; when its distinctions, dignitions of our people; when its distinctions, dight-ties and pecuniary rewards will command the time and attention of the most gifted. I can see no reasons why this state of feeling should not

reperfection and wider influence. No better object can engage the attention of government, or consume its means, than the education of the people in the most comprehensive sense of the term; embracing the use of letters, the cultivation of the moral faculties, and the diffusion of the moral faculties are the fact on the charge of fallibustering at Barrastrength and stability of the United States, as a people, consists in the substantial interest which passed in October, 1852, dedicated the necessary ground in Independence Square, to the erection become moral to the moral faculties and the diffusion of the moral faculties, and the diffusion of the moral faculties are the faculties of the concept of the moral faculties and the diffusion of the moral faculties are the faculties of the concept of the moral faculties are the faculties of the concept of the moral faculties are the concept of the moral faculties are the faculties of the concept of the moral faculties are the faculties of the concept of the moral faculties are the faculties of the concept of the moral faculties are the faculties of the concept of the moral faculties are the faculties of the concept of the moral faculties are the faculties of the moral faculties are the faculties of the moral faculties are the faculties of the moral faculties are the

In accordance with the provisions of a law passed in. April last, a vote of the people was taken, at the October election, on the policy of prohibiting the manufacture and sale of intoxicating liquors; 158,342 votes were cast in favor of the measure, and 163,510 votes against it.

As a sobeme for correcting and reclaiming of the measure, and 163,510 votes against it.

They are in a flourishing condition, and continue permanence of free institutions.

As the third generation of that posterity, for tunate beings committed to their charge.

As a sobeme for correcting and reclaiming wayward and offending youth, the House of Reforming the manufacture and sale of intoxications and suffered, and died, it is peculiarly fitting wayward and offending youth, the House of Reforming the manufacture and sale of intoxications.

effect upon the funds.

girl, has turned up at Cincinnati, it is said.

oncerns the moral welfare of the people, and concerns the moral welfare of the people, of every class, race and condition. Perhaps no other moral question within the range of your authority so deeply interests the people, of every class, race and condition. It takes charge of those whose offences are often the result of circled, the immederate use of intoxicating druks is an evil that has left its fatal mark in every who is an evil that has left its fatal mark in every violange. Its progress, fortunately, has been steadily resisted by societies and event of the steady resisted by societies and individuals. Wayward and offending youth, the House of Refuge Stands pre-minent; and is every whord the gent out our children's hearts, and upon this class of erring creatures, is far more upon this class of erring creat

ration; and also to the wise doctrines of popular and State sovereignty, and the inherent righ of self-government.

During the brief period which remains of my

official term. I shall readily and cheerfully co perate with the General Assembly, in all prop er measures, to advance the public weal; and earnestly invoke upon our labors, and the labo of those who may follow us in our public voca tion, the kindly care and keeping of that Great and Benificent Being who boids the destiny of nations as well as of individuals, as it were, in the hollow of his hand, and without whose continued smile there can be neither national individual prosperity. WM. BIGLER.

FROM HARRISBURG.

Heister is the Senator from Berks county, espondence of the Daily Morning Post;
Hatt or House or Representatives;
January 4, 1855.

occeany to his election. The Senate has now a Democratic organization. Mr. Buckslew's artion of a turupite road was the subject of executive exultation, and a matter of congratulation among the people. Now her whole surface is checkered over with railroads, canals and other highways. Tuen the whole revenues of the State amounted to but \$450,000 Now they experienced for millions. Of the four large States, her per centage of increase in population, since 1840, is the greatest; and she has besides excelled the last of the four large states, her here of her surface in the production of whast rival on Monday, as is expected, will give the Democrats the control of that body for all prac-MORSE'S INVIGORATING CORDIAL. We would again call attention to the adver-

a good many voters absent on coal and steam Her usual good health immediately returned.

The report of the present able and energetic Adjutant General will inform you of the condition of the military affairs of the State. This department of public affairs, I regret to say, has been in a confused and declining condition of the gratitude I have experience to the fact, that the law reports of twenty two tother States have been regularly received by this, and that no provision has ever been made on our part to reciprocate this courtesy and a generosity, I respectfully suggest the propriecty of authorizing some officer of the Government to procure the necessary copies of the people, with a calle consciousness to the extent of my shifty; and of Pennsylvania reports to aupply those States who have so generously added to our library.

The registration act, I respectfully suggest,

The registration act, I respectfully suggest.

The registration act, I res

enough to answer the purpose desired. He also promises to make thorough work among the hucksters. That is right. We hope, whoever is eleuted, that huckstering will be thorough the huckstering the hucks oughly suppressed. It is a great evil, and imposes a heavy burden on the whole people of the surface dollars. C. H. RING, Proprietor, 192 Browlway, New York. the city. But we see not why Mr. Volz cannot Sold by Druggists throughout the United States, Canada suppress huckstering, as well as Mr. Morgan. and the West Indies. Mr. Volz has done it so far as well as his predecessar did.

ment in another column that Dr. Baelz is about opening a Hydropathic Institute in this city.

The Doctor has the best of recommendations, The Post of the Richmond Republican, of December 24th, 1852, ray that Carter's Spanish Mixture is no quack medicine.

S. CUTHERET & SON, 1 in 1 is not present the present of the Richmond Republican, a splicit is not leaved ground. For further particulars required that Carter's Spanish Mixture is no quack medicine.

The large vote of Strong, (Whig and fact that he " was sustained by all the members | has got all that is necess for any cuty county; from the Armstrong,

on and Jefferson district; from the Beaver, Butler and Lawrence district: by three of the Mengel and Shearer;) by the Representatives of forter. He cannot be beat in the style and fit of this ga Blair and Huntingdon, of Bradford and of Bucks; by one of the Carbon and Lehigh members; by the members from Center, Chester, Clearfield, McKean and Elk, Clinton, Lycoming and Potter,

Crawford, Cumberland, Dauphin and Delaware; one from Erie, from Payette and Westmoreland : one from Franklin and from Indiana; three from Lancaster and from Lebanon; one from Luzerne, from Mercer, Venango and Warren, and from Mifflin; two from Montgomery, from Perry; three from Philadelphia city; nine from Philadelphia county; from Somerset, from Susquehanna, Sullivan and Wyoming; Tioga, Washington, Wayne; from York-in all thirty-six of the forty-four representative districts into which the State is divided. Of the supporters of Mr. Strong, classified according to previous political affinities, 49 were Whigs, 23 Democrats, and 4 Natives, including under the title Whig a few

The election of Jesse D. Bright, of Indiana Free Spilers. This vote shows the complexion o the presidency of the U.S. Senate, caused of the House to be this, as nearly as can be asthe firing of a salute of 100 guns at Madison certained: 63 Americans, 21 Democrats; three of these, however, being so much American as The Engineers' strike on the Baltimore and to refuse to vote for foreigners: 6 Old Line Obio Railroad has ended in the Company em Whige, 2 Free Soilers, and 8 who have not ye ploying new men, and operations have been redefinitely classified themselves."

THE GOVERNOR'S MESSAGE. - The message which we publish to day, will well repay a Secretary of Legation to London. This an attentive perusal. It is an ably written and excellent document, giving a full and clear account of the affairs of the Commonwealth The financial condition of the State is satisfactory and encouraging. None understands then can explain them better than Governo

> The message was delivered to the Legislature esterday, at precisely 1 o'clock P. M. PENNSYLVANIA LEGISLATURE.

HARRISBURG, Jan. 3. SENATE.

The Senate met at 11 o'clock to-day, and, as

So there was again no choice. The vote was

So there was again no choice. The vote was in every respect the same as on the first ballot of yesterday.

The balloting was then continued with the same result, until 15 ballots had been had.

Mr. McClintock then moved that the Senate adjourn; but the motion was lost by a tie vote -yeas 15; nays 15 Three further ballots were then had, with no change in the result, Messrs. Darsie and Price

carrying out the principle of the Tariff of 1840 The Governor of Michigan in his annual mesesch voting for the other.

Mr. McClintock, after the 18th ballot, renewsage, recommends the repeal of the Prohibitor s motion to adjourn, which was agreed to. The Senate then adjourned until to-morrow liquor law, and in its stead an act making legal the sale of liquor in a smaller quantity 1 o'clock. than by the gallon. The Governor of Ne HOUSE OF REPRESENTATIVES.

York, in his message, recommends Prohibition The House met at 11 o'clock.

Mr. Foust read in place a bill to prevent the but at the same time confesses the subject is su rounded with difficulties, that will require grea ale of intoxicating liquors on the Sabbath, and o prevent the rale of adulterated poisonous

iquors as a beverage; also a bill to confirm the itle of the Rev. John Sisty to certain real estate in Philadelphia.

Mr. Cummings read in place a bill to repeal the tavern license laws of Philadelphia. Heister is the Senator from Berks county, and an out and out Democrat. It is his third year in the senate, and he is undoubtedly one of the ablest members of that body; universally remembers of that body; universally remembers the senate of the senate of the senate and place abilito incorporate the City Bank, of Philadelphia.

Mr. McCombs read in place a bill to incorporate the City Bank and the senate of the senate of

> Mr. McCombs also introduced a serious of the North Pennsylvania Coal Company to pay interest to its stockholders; also a bill to incor-porate the Anthracite Bailroad Company. Mr. Ball introduced a bill to reduce the expenses of the government, and to secure the

monwealth. Mr. Ball made some remarks upon the import ance of the bill, when, on motion, one thousand extra copies were ordered to be printed.

Mr. Denning introduced a bill supplementary

Mr. Denning introduced a bill supplementary tisement of the above valuable medicine. We Mr. Denning introduced a bill supplementary are informed that the sales of this remedy for to the act incorporating the Big Mountain Coa

ompany.

Mr. Eyster read in place a bill to incorporat the Ohio Improvement Company.

On motion, a resolution was adopted authorizing the purchase of copies of Dunlap's an l'ardon's Digest, and Sutherland's Legislativ

Manual, for the use of members.

The House then adjourned, after an hour's CIVILIZED INDIANS .- A delegation of Wyando Indians is in Washington to make arrangements with the government to have their lands in Kan-
