the fair hostess as a donation to the poor. We presume "beggars should not be choosers," but it strikes us these calico parties look like making child's play of charity.

SHALL THE PUBLIC WORKS BE SOLD of the "Irish felone" who suffered from Eng-LOWY Low ? Our opinion has often been expressed on the of the lecture the study of his life, he cannot subject of a sale of the public works of the State. As a general rule it is bad policy for Republican governments to be engaged in such

enterprises as the construction of railroads and canals. But at the time the State works were commenced a sufficient amount of private capital could not be induced to undertake the construction of cansis and railroads traversing the our city and county become quite so deeply in-State as the public works now do. State credit volved in Railroad obligations. and resources accomplished what individuals or corporations would not then have undertaken Those works hav a developed the resources of the Commonwealth, and doubled its wealth. Though

a large debt remains to be paid, yet those works have proved of vast benefit, and have doubled the ability of the people of the State to pay the debt. It is now proposed to sell those works at what-

ever price can be obtained for them. Gov. Pol-look, and the various parties who secured his Large Display of Military--The Imaug-uration Ceremonies. election, seem resolved that the State shall be Harrisburg was vesteriay densely crowded rid of them, even if they have to "give them away." Such is the language employed by maky, and the people may prepare themselves to see "phi and Snequebauna R silroat on Saturday

this wild freak of financial folly carried out dur ing the present year. We would say that if the public works can be sold for their foll value, let them he sold, and them being about twenty initiary companies. the proceeds be applied to reduce the debt of the whose bands of music kept the town unusually State. But to sell them for less than their value is a meless sarrific. There is no pressing deis a useless sacrifi e. There is no pressing de-
