He received his education in the National Intelligencer printing of Casar Augustus and Napoleon III. The fol-The total receipts of foreign dry goods, at New York during the first four weeks of this year, have amounted to only \$5,680,898; duyear, have amounted to only \$5,630,893; de-ring the same portod last year they were \$10,-232,470, and in 1853, \$8,664,818. The great-est decline has been in silks and cottons. Wool-en, flax, and miscellaneous goods fall off in less proportion. INCREASE OF PAY.—The bill before Congress to increase the pay of Congressmen, and judges of the Surgers the lastic default of the Surgers at the elastic default of the word, and the oth-er of a great uacle, and the oth-er of a great uacle, and both the most famous captains and extraordinary geninsee of their time. Both nephews—both politicians by birth and social position—both were equally secret, equally false, equally displayed, at boken in-tervals, rather the fitful andacity of the drunk-ard or the selastic dements of high moral and hysical for the present, and if the members are not sat-isfed with that they had better resign and let others take their places. Ambitious men enough can be found to serve their country at dollars worth of books per session, and forty cents per mile mileage by the most round about way. There is too strong a tendoncy to extravagance expensive in the world. Some of our Congressmen complain that they can hardly live in Washington on eight dollars per day. It is true that

twenty dollars per day on a be spont latter if the fanoy" were crowded together in the sub-epistion and extravagance; but if Congress-men were compelled to live on two dollars per day they would render more valuable service to their constituents and the country. At any rate they should wait for more prosperous times before increasing their salaries 50 per cent.
Many a working map, would be glad to get 50 this hard winter.
PACIFIC RAILBOAD.—We had hoped that be-fore Congress adjourned it would take some definite action in regard to the Pacific Railroad bill. There is now but little over a month left to the present Congress, and the bill has been referred to a Committee that will probably hold it over until too late for action. The plan that
