OFFICIAL PAPER OF THE CITY. PITTSBURGE: Ar Reading Matter will be found e B. M. PETTINGILL & CO., Newspaper Advertisi

Spenis, are the Agents for the Pittsburgh Daily and Weekly Post, and are authorised to receive ADVERTISEMENTS and Post, and are at is for us at the same rates as required at th office. Their receipts are regarded as payments. The offices are at Naw Yonk, 122 NASSAU STREET, NEW YORK, 122 NASSAU STREET, BOSTON, 10 STATE STREET.

MORNING POST JOB OFFICE. MEPCHANTS AN We would call the attention of MEECHANTS AND BUSINESS MEN to the fact that we have just receive from Philadelphia a number of fonts of new Job Type, an from printing in a factor of an array of the second second

News of the Day.

Two young Germans, named Leverich, were arrested in New York, a few days since, on s charge of swindling, for selling colored waters for "Old Brandy." " Sherry." and " Port." Our Harrisburg letter will be found interest

ing. It is a new correspondent. He asks some questions which our citizens can answer if they choose. This consion of the Legislature will be one of much interest, and letters from Harrisbare will doubtless be generally read. It will be found on the first page.

Mr. Mailman, a tobacco merchant of Trenton was drowned on Sunday afternoon, near Leeds Point, N. J., while crossing Great Bay in company with Mr. Sooy. The boat upset, and Mr Sooy, by clinging to it, succeeded in reaching the shore, two hours after the accident, but Mr.

M., less fortunate, sank to the bottom. Grisi and Mario are making a ten-strike i Boston, the only one by the way, they have yet and the city te much benefitted by his adminismade. For the two weeks ending on Saturday, It is within the scope of a Mayor's duties t the receipts reached \$30,000. On Monday eve-

ning, the house was again crowded, and the in ications are that the third and fourth weeks will be equally profitable with those which have NO REFORM AT ALL.

We have read carefully the bill providing for the abalition of the Board of Canal Commision ers, and the substitution of another system of management of the public works of the Com onwealth. This long promised measure is atlength before the public, and open to discussion.

FERNANDO WOOD AND FERDITATE Extractinary Balloon Ascension of a OFFICIAL. Lady, and Miraculous Escape. We announced a few days ago that Miss

VOLZ. The gettiming instablers mand, was elected lately as Mayor of Now York. He was the Democratiocandidate. Inmediately captures upon the duties of his new office; he commenced a system of reformatory measures with a dill-a system of reformatory measures ports and the system of The gentleman trat above named was elected the inhabitants of Gotham by surprise. He opened a book in which all citizens might record complaints of nuisances, immoralities, obstruc-tions to streets, and every other evil to which the dwellers in a great city are subject. But this was not all. The complaints were not the proud when she can the cord and the cord and the sus one bundred feet this was not all. The complaints were not all from the ground, when she can the cord and the cord and the subject and a program to the section of wharfage on coal-boats. The subject and program to the subject and the sus one produced and the subject and a program to the subject. Subject and the subject a ence, good judgment and energy that took all street mains, that it was made of old silk, and bead, M'Adams, M'Masters, Poor, Scott, Tacker, the dwellers in a great city are subject. But held by the rope, until she was one hundred feet this was not all. The complaints were not from the ground, when she cut the cord, and the neglected. As soon as recorded, officers were balloon arcss perpendicularly, with great ve-

despatched to abate the nuisance, and correct thé evils; and in a few short weeks Fermando Wood has effected more reforms, and done more to restrain vice and immorality, and improve the condition of New York city, than his predeces-sors had done for years. He has proved him-self one of the greatest and most energetic re-formers of the age; and now we find the press solf one of the greatest and most energetic re-formers of the age; and now we find the press of that city, without distinction of party, are that she had not noticed the balloon. The of that city, without distinction of party, are that she had not noticed the balloon. The praising the energetic and public spirited Mayor without stint. All good citizens applaud him; and they none but wrong doers dislike him; and they below without stint. All good citizens applaud him; and they below without stint without stint. All good citizens applaud him; and they below without stint. All good citizens applaud him; and they below without stint. All good citizens applaud him; and they below without stint. All good citizens applaud him; and they below without stint. All good citizens applaud him; and they below without stint. All good citizens applaud him; and they below without stint. All good citizens applaud him; and they below without stint. All good citizens applaud him; and they below without stint. All g praising the energetic and public spirited Mayor Bread and obey him. We need just such a reformer in Pittsburgh; and to our borror and alarm, we saw her fail dread and oney mm. We need just such a reformer in Pittsburgh; one who will sttend to his public duties con-stantly, and faithfully. We need a Mayor checked, from what cause we below could not referred to re-pave Front street west of Redoubt

who will let politics alone, and do his da-ty without regard to the chances of a re else-tion. Will Mr. Vols prove himself such a man ? torn into ribands, except the lower part or neck to see along the see along the second street east torn into ribands, except the lower part or neck to see along the second street east of Redcubt alley to Ferry street, making in all It seems that when the balloon burst it was torn into ribands, except the lower part or neck sondidate. Now that he is elected for one year more, we will appland him for every good at he does; and we will appland him for every good at he bis short-comings in duty. Mr. V. now stands elear of party trammels, and has an excellent opportunity to make an efficient efficient. If he will let polities alone, and le; soundimen attend to their duties, while he does his, all will be well, tand the city be much benefitied by his adminis-to their duties. The Howse of Refuge Bill -- The Attack tration.

The House of Astuge Bills- The Attack upon Mr. Darsis. [Frim the Correspondence of the North American.] HARRISUDA, January 27, 1865. Yesteriday there was an animated debute in the House, on the supplement to the act to es-tablish a House of Kefuge for Western Penn allassis. The supplement parallel and an and allassis. The supplement parallel. see that the broken walls of buildings destroyed by fire are taken down, and not left to fall upon and crush the passers by. If he will look at sylvania. The supplement provided, among the front wall of a building lately burned cn other things, that the Trustees of the institution Fourth street, he will see some signs of danger. Fourth street, be will see some signs of danger. But we shall not undertake to enumerate the duties of the office; and cannot do better than to recommend to our Mayor to read the account of the reforms effected by Mayor Wood, of New How we cannot be determined. The debiase were all involved in the discussion. The debiase were all involved in the discussion. should have the power to bind out, until they York, and do likewise, so far as is proper for the discussion. The debate was generally credit this city. One thing Mr. Wood has done in New table to the House, and some of the speakers this city. One thing Mr. Wood has done in New reated the subject with remarkable clearness

as soon as the weather will permit. Mr. Duncan, the following, which was referred to Committee on Streets

and some of the city choices say they have no surfacing to compel them to do it, therefore Resolved, That the Committee on Streets be, and is hereby requested to have an act passed by the legislature, giving the city officers power to compel the owners of lots to pave the side-

Referred to Committee on Streets.

Mr. Getty, the following resolution :

Isfa; a Chief Engineer, whose salary is to be inventy-five hundred dollars; and for one Chief Gierk for each of said officers, the salary of each is together amount to eight thousand five hundred dollars, or about two thousand five hundred dollars, or about two thousand five hundred dollars, a passed is the set of the four here set the rangoment. The Sil a be paid, and method have, if it is needed. The bill makes no provision for the reduction of officers and sarrices on the lines of the serveral roads and sanals. The same number of subordinets officers may be retained, and the issue single will not be long behind Philadel-phia in these safet for the Lindelphia. When it shall have all there for the the the server of the same there in the same the same the prevale of the same the same the provision for the reduction of officers and sames. The same number of subordinets officers may be retained, and at the same same the same the officers may be cell that the same the pin in the thild behave the the same same the same the pin a same to same the same the same the same the pin to the same the prevalue of the same the same the pin same to same the same the same the same the pin same to same the same the same the same the pin to the same the prevalue of the same the pin same to same the same the same the same the pin same to same the same the same the same the same the pin to the same the same the same the pin to the same the same the same the pin same the same the same the same the pin same the same the same the same the pin same the same the same the same the pin same the same the same the same the pin same the same the same the same the pin same the same the same the pin same the same the same the pin same the same the same the same the pin same the same the same the same the pin same the same the same the same the pin same the same the same the same the same the pin same the same the same the same the same the same the pin same the same the same the same the same the pin same the same the same the same the sam ries as a present. This bill then, is not recom-mended by any consideration of economy. It provides for no reduction of expenses, that we can see. It increases them. It provides no safegnarde against fraud or mismanagement that do not now exist. But the grand feature of the new bill is its re-But the grand feature of the new bill is it
