News of the Day. It now turns out that the notorious Capt. Gibson, instead of being entitled to the protection of the United States Government, is a native of England. This difficulty puts a quietus to the whole affair.

Advices from Chicago say that all the railroads in that locality are heavily blockaded with snow. On the Bock Island road, five locomotives, with one train, were frozen up solid. On the Chicago and Mississippi Railroad the snow drifts were tremendous. One, reaching from Lexington a nois Central Railroad is utterly impassable as In another column we give the latest from the frozen trains.

IMMIGRATION OF CONVICTS AND

But it is urged on the other hand that among the first to wish them success, and a asylum and a home in our broad and prosperous Gen. Bowman was only appointed to fill the valand? Even England is more liberal than that, osney occasioned by the resignation of his pre-England shelters men now who would be execu- decessor, and only for the balance of the term. ted without mercy, could they be caught in Italy, There is the question. Let those decide it who France or Austria. Kossuth's head is forfeited have got commissions. We are not even a Colonel. in Austria; yet he lives in peace and safety at London. Ledra Rollin could not live in his native France. Yet in London he is safe. Thousands of political criminals find a safe asylum in England. Shall such political offenders be excluded from our shores? We should not exclude them. We should not be I ss liberal to those whose only crime is republicanism, than monarchical England, or even despotic France, where Polish refugees have always found safety.

It is said that the Sardinia criminals who are try are merely political offenders, sent out by Rather frigid for bathing operations! their government because they are considered dangerous to the stability and repose of despotcause for forcing them back to their untive land, found interesting as usual. where severe punishments await them for sidered any crime at all? To complain of the

sidered any crime at all? To complain of the oppression of the government is a crime in Europe. Shall such be considered criminals with us, and excluded from our hospitalities?

Such are some of the questions to be considered in framing any enactments on the subject; and it will be difficult to exclude any without excluding all who are called criminals at home. But there can be no doubt that several of the European governments, and particularly that of European governments, and particularly that of their thieves and burglars, and their confirmed paupers, to this country in large numbers, to get rid of such pests at home, and such burdens periodicals publicly advocate such measures, poor man who comes of his own accord, and the pauper who is sent at government expense. The whole number of passengers carried during the year between Harrisburg and Pittsburgh was equivalent to 167,100 passing over the increase of crime in this country calls for strong measures to prevent the common criminals of the Old World from heiron. nals of the Old World from being sent amongst Whatever the difficulties of the subject, they must be met, and the evil corrected.

We would not exclude a foreigner because he is poor. But we would exclude all paupers gent by their governments, or by emigration societies. We would not exclude political refugees, before. whose offences would be considered no orime in the actual business of the Road during the vent was was 43,512,295,13 this country. But we would send back all offenders sent here by their governments. Our land should not become a New South Wales, a a remedy for this evil will doubtless soon be 876,60 applied.

at the bridge, recently burned near Lewistown, \$316,083,16. Which leaves, after cancelling on the Central Railroad. Goods are carried on aleds across the Juniata on the ice, and but little interruption is caused to the carrying trade. A new bridge will be erected in a few weeks.

The large quantities of snow on the ground on the borders of our rivers, may produce a high flood, if the thaw continues till it is all gone

BANKERS AND EXCHANGE BROKERS, No. 71 Fourth street, Pittsburgh.

In THE numerous suspensions of Banks and Bankers throughout the country during the last six months, we are entisfied that in almost every instance their troubles have grown out of a departure from their legitimate business; and we, therefore, take occasion to assure the public

ness; and we, the tone, tase occasion to assure the public in advance, that no speculations in "fancy stocks," or other "outside operations," shall tempt as from the strict and legitimate time of our business—believing that in avoiding all such investments we shall not only be better able to serve our customers and ensure their safety, but that in adopting such a course we shall promote our own ultimate benefit. [feb5] Notice.

SUCH OF OUR DEPOSITORS as have not yet had their accounts adjusted, are requested to bring in their books and certificates.
