OCTOR BAELZ, Graduate and Practitioner in the Old
Schools of Medicine, Allopathic and Homeepathic, and
for the past ten years a successful Hydropathiat, has opened
a WATER CURE in the above location.

The perfectly safe, direct and immediate effect this agetem has on all Fevers, and all diseases acute and chronic—
while it is mild, grateful and invigorating to the weak and
debilitated, renders it peculiarly desirable in families; who
will be treated at their homes.

Allopathic and Homeepathic treatment will be administered where desired; but, after long and thorough experience, Doctor Baelz gives a decided preference to Hydropathy, which has, throughout the old and new world,
proven so eminently successful in every form of disease,
inflammatory and Chronic Rheumatism, Asthma, Cotaneous, Nervous and Liver Diseases. Testimonials of cures
from highly reputable citizens of nearly every State in the
Union, can be examined at Doctor Baelz's office. The Rev
Clergy are invited to consult him gratis.

Warm water being used in the commoncement, and often
throughout the treatment, it is a luxury instead of unpleasant, as those unacquainted might suppose.

Although but a short time established, this Institution
is in a most prosperous and flourishing condition, now
numbering one hundred students, which exhibits a populimity and success perhaps never attained in so short a
time by any other Commercial College. The Book-keeping
department, under the able supervision of Mr. Barry, is
usequalled in this city. Prof. Milliar & Bro.'s system of
writing is entirely new, and in many respects superior to
any other estem, for the corroboration of which they appeal to many persons in Pittsburgh who have ulready received instruction from them. Prof. Milliar has taught
Penmanship in self the principal cities and towns in this
country for the last civen years, during which time he has
instructed upwards of fifteen thousand persons.

Young men who desire a thorough commercial education
