A Good IDEA .- Petitions are in circulation A Good Idea.—Petitions are in circulation amongst our citizens, asking councils to use their influence to get an act passed, through the legislature, establishing a chain-gang in this city. Although an institution like this looks a little like a relic of barbarism, we think it would have a very beneficial effect in reducing the number of vegrants who crowd our police courts mis, or Rupture of the Bowels, and the danger of Strangulation by neglecting it.

The right course fer any one to pursue who may be affected with Rupture, is to precure a good Transwell adapted to the ruptured pasts, in order to retain the protuciding portion of the bowels. This is often neglected, and the lowel becomes strangulated, leaving the patient not only in a suffering but diagreeue condition. I have always on hand, and daily slapt, the most improved Trusses; among which is MARBITS RADICAL CURE TRUSS, which will really produce a radical cure in a short time.
