MORNING POST JOB OFFICE. We would call the attention of MERCHANTS AND BUSINESS MEN to the fact that we have just received from Philadelphia a number of fonts of new Job Type, and Heads, Paper Books, Posters, and Programmes for exhibit tions. All orders will be promptly filled.

News of the Day. There is a rumor in Washington that Mr. Breckenridge, of Kentucky, who refused to be Minister to Spain, will be appointed Governor of

The Oregon Legislature has passed an act "prohibiting negroes or mulattees from coming or not. to or residing in the Territory," with the proviso, "that this act shall not affect persons coming here with their slaves." A very large audience assembled at Niblo's

New York, to hear Gen. Sam Houston's lecture on the American Indians. He was tremendously cheered when he appeared on the stage, and lecture. At its close there were three cheers given for "the first President of Texas," and then some one proposed "Three more for Sam Houston, the next President of the United States," which were given lustily.

In the great India Robber case of H. H. Day against the Association of India Robber Manufacturers, now in the fourth week of consideration, at Providence, R. I., it was announced on Monday morning that the jutor who was taken sick on the second week had died. The parties had previously agreed to finish the case with eleven jurors. The case will probably occupy the attention of the Court for two weeks longer. It is the same patent case which was terminated in New York; but was announted of an interest in the same patent case which was terminated in New York; but, by forged paper, from the Chemical Bank, \$13,000, and from the Continuous look exceptions to the Superace Courty, N. Y., of Kissane, who stands juror.

\*\*COURTY SUPERINTENDENTS OF SCHOOLS.\*\*

The new school law of the session of 1864 provided for the election of a county superintendent of public schools in each county of this State; and in June last these officers were elected, and their salaries fixed at different sum in a western city, with which the New York firm in a western city, with which the New York firm of the Counting room, he stated that he had a large of from \$250 to \$1,500 per year. Considerable of the counting room, he stated that he had a large of from \$250 to \$1,500 per year. Considerable of the counting room had been continged and their salaries fixed at different sum of the counting room, he stated that he had a large of from \$250 to \$1,500 per year. Considerable of the provided of the previous of the second will, which was signed by provided for the election of a county superintendent of public schools in each county of this State; and in June last these officers were elected, and their salaries fixed at different sum of of well known firm in this city, and presented the provided for the election of a county superintendent of public schools in each county of this state; and in June last these officers were elected, and in June last these officers were elected, and their salaries fixed at different sum of of well had not an extensive

Laundry Blue.

THIS IS SIMPLY INDIGO DISSOLVED, without injuring any of its properties, it possesses a decided advantage over the undissolved Indigo, on account of the facility with which it can be used and its cheapness; it being a well known fact that not more than one-indic of the indigo can be dissolved in water. Washer women and families will find it a great saving. For sale by and year of the public. Operating upon all the organs of the body, and upon the skin at large, it re establishes, when disordered, that relative action which is necessary to be performed by the different organs of the restem in a state of health, and which are always deranged in a state of disease. It is accipable to any and every disease, irral stages, and has made the most astonishing cures that have ever appeared upon record. Price \$1,00 per bottle. Sold by feb19.
